

TOWN OF MIDLAND

NOTICE

SPRING HYDRANT FLUSHING PROGRAM

The Town of Midland Water Operations personnel will be conducting hydrant flushing in various areas throughout the Town, nightly from Sunday to Thursday commencing June 8, 2014 starting at midnight until 7:00 a.m. Flushing operations are expected to take approximately one month to complete. If any discolouration should appear in your water, let the cold water tap run periodically until it clears. Should you have any questions or concerns, contact the Water Department at 705-526-4275 ext. 4207.

**Patrick LeClair
Manager of Water & Wastewater Operations**
