Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of The Corporation of the Town of Midland (the "Town") are the responsibility of the Town's management and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles for local governments established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. A summary of the significant accounting policies are described in Note 1 to the consolidated financial statements. The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The Town's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by Management.

Council meets with Management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by KPMG LLP, independent external auditors appointed by the Town. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the Town's consolidated financial statements.

INDEPENDENT AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of
The Corporation of the Town of Midland

We have audited the accompanying consolidated financial statements of **The Corporation of the Town of Midland** which comprise the consolidated statement of financial position as at December 31, 2015, the consolidated statements of operations and accumulated surplus, change in net financial assets (debt) and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of The Corporation of the Town of Midland as at December 31, 2015 and its consolidated results of operations, its changes in net financial assets (debt) and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

THE CORPORATION OF THE TOWN OF MIDLAND

Notes to Consolidated Financial Statements

Year ended December 31, 2015

The Corporation of the Town of Midland (the "Town") is a municipality in the Province of Ontario and operates under the provisions of the Community Charter. The Town provides municipal services such as fire, public works, planning, parks, recreation and culture and other general government services.

1. Significant accounting policies:

The consolidated financial statements of the Town are prepared by management in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada. Significant aspects of the accounting policies adopted by the Town are as follows:

(a) Reporting entity:

These consolidated financial statements reflect the assets, liabilities, revenues, expenses and fund balances of the reporting entity. The reporting entity is comprised of all organizations, committees and local boards accountable for the administration of their financial affairs and resources to the Town and which are owned or controlled by the Town.

The entities owned or controlled by the Town which have been consolidated into these financial statements are:

The Town of Midland Public Library Board
The Midland Business Improvement Area

The assets, liabilities, taxation, other revenues and expenses with respect to the operations of the school boards and the County of Simcoe are not reflected in the Town's consolidated financial statements except to record any resulting receivable or payable with the Town at year-end.

The following entities have been proportionately consolidated:

Huron Airport Commission	49.6%
Severn Sound Environmental Association	12.9%

All inter-entity transactions and balances have been eliminated.

The Investment in Midland Power Utility Corporation is accounted for using the modified equity basis of accounting, consistent with Public Sector Accounting Standards. Under this method, the government business enterprise's accounting policies, which follow Canadian generally accepted accounting principles for publicly accountable enterprises, are not adjusted to conform with Public Sector Accounting Standards and inter-entity transactions and balances are not eliminated. The Town recognizes its equity interest in the annual income or loss of Midland Power Utility Corporation in its consolidated statement of financial operations.

Year ended December 31, 2015

1. Significant accounting policies (continued):

(b) Basis of accounting:

Sources of financing and expenses are reported on the accrual basis of accounting.

The accrual basis of accounting recognizes revenues as they become available and measurable. Expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

(c) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the tangible capital asset. The cost, less residual value, of the tangible capital assets, excluding land and landfill sites, are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Useful Life - Years
Land improvements	20 - 50
Buildings and building service equipment	10 - 50
Vehicles	3 - 25
Equipment	5 - 30
Infrastructure	15 - 100
Information technology	4 - 15

Included in buildings are structural items which have estimated useful lives of up to 100 years.

Annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

(i) Contributions of tangible capital assets

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

(ii) Natural resources

Natural resources that have not been purchased are not recognized as assets in the consolidated financial statements.

(iii) Works of art and cultural and historic assets

Works of art and cultural and historic assets are not recorded as assets in these consolidated financial statements.

THE CORPORATION OF THE TOWN OF MIDLAND

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2015

1. Significant accounting policies (continued):

(d) Revenue recognition:

The Town prepares tax billings based on assessment rolls issued by Municipal Property Assessment Corporation, in accordance with rates established and approved annually by Council and the Province of Ontario. Taxation revenue is recognized in the period in which the taxes are levied.

Government transfers are recognized in the period in which the events giving rise to the transfer occurred, provided that the transfer is authorized and the amount can be reasonably estimated. Government grants are recognized when approved to the extent the related expenses have been incurred and collection can be reasonably assured.

User fees and other revenues are recognized when the services are performed or goods are delivered, collection of the relevant receivable is probable, persuasive evidence of an arrangement exists and fees are fixed or determinable. Amounts received for future services are deferred until the service is provided.

(e) Use of estimates:

The preparation of the consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting periods. Significant items subject to such estimates and assumptions include valuation allowances for taxes and user charges receivable, accounts receivable, accrued post-retirement benefit obligations and estimating provisions for accrued liabilities and landfill closure and post-closure liabilities. Actual results could differ from those estimates. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

In addition, the Town's implementation of the Public Sector Accounting Handbook PS3150 has required management to make estimates of historical cost and useful lives of tangible capital assets.

(f) Collection of taxes on behalf of other taxation authorities:

The Town collects taxation revenue on behalf of other entities. Such levies, other revenues, expenses, assets and liabilities with respect to the operations of these entities are not reflected in these financial statements.

THE CORPORATION OF THE TOWN OF MIDLAND

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2015

1. Significant accounting policies (continued):

(g) Pension Agreements:

The Town is an employer member of the Ontario Municipal Employees Retirement System (OMERS), which is a multi-employer, defined benefit pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of the benefits. The Town has adopted defined contribution plan accounting principles for this Plan because insufficient information is available to apply defined benefit plan accounting principles. As such, the Town's contributions due during the year are expensed as incurred.

(h) Employee future benefits:

Vacation entitlements are accrued for as entitlements are earned. Sick leave benefits are accrued when they are vested and subject to pay out when an employee leaves the Town's employ. Non-vesting sick leave benefits are accrued and subject to pay out if employees chose to top up their salary under the short-term sick leave plans.

(i) Deferred revenue:

Deferred revenue includes funds received for specific purposes which are externally restricted by legislation, regulation or agreement and are not available for general municipal purposes. The revenue is recognized in the consolidated statement of operations in the year in which it is used for the specified purpose.

Also included in deferred revenue are user charges, lot levies and fees which have been collected but for which the related services have yet to be performed. These amounts will be recognized as revenues in the fiscal year the services are performed.

(j) Government transfers:

Government transfers, which include entitlements and legislative grants, are recognized as revenue in the financial statements when the transfers is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled. Government transfers consist of grants and subsidies received for various operating and capital programs.

Gas tax:

The funding agreement requires the Town to transfer unspent gas tax funding into a reserve. The funding and interest earned in the reserve must be spent on approved projects.

Development charges:

Certain user charges and fees are collected for which the related services have yet to be performed. These revenues will be recognized at the time the related services are performed.

4. Credit facilities:

The Town has available a \$4,000,000 (2014 - \$4,000,000) operating line of credit. This unsecured line of credit bears interest at the bank's prime rate less 0.75%. At December 31, 2015, \$Nil (2014 - \$Nil) has been drawn against this facility.

THE CORPORATION OF THE TOWN OF MIDLAND

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2015

8. Pension agreements:

The Town makes contributions to the Ontario Municipal Employee Retirement System (OMERS) (the "Plan"), which is a multi-employer plan, on behalf of members of its staff. The Plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

Because OMERS is a multi-employer plan, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the Town does not recognize any share of the OMERS pension surplus or deficit.

The amount contributed to OMERS for 2015 was \$1,156,242 (2014 - \$1,149,977) for current service and is included as an expense on the Statement of Operations and Accumulated Surplus.

9. Taxation and user charges:

THE CORPORATION OF THE TOWN OF MIDLAND

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2015

12. Accumulated surplus:

The Town segregates its accumulated surplus in the following categories:

	2015	2014
Invested in tangible capital assets	\$ 156,584,489	\$ 156,607,206
Tangible capital assets financed with long-term debt	(12,176,416)	(13,590,476)
Current fund	5,505,483	6,687,617
Reserves set aside for specific purposes by Council	7,550,464	7,079,507
Accumulated surplus	\$ 157,464,020	\$ 156,783,854

13. Contingencies and commitments:

In the ordinary course of business, various claims and lawsuits are brought against the Town. Any payment made by the Town pursuant to claims, lawsuits or expropriations will be charged in the year of settlement, subject to any insurance deductible.

The Town has entered into a fixed price unleaded gasoline, diesel and coloured diesel supply and deliver contract from March 2015 to February 2016 in the amount of \$272,229.

The Town has also entered into a three year contract for the supply and delivery of aluminium sulphate from 2014 to 2016. The total contract is approximately \$430,650.

14. Government grants:

Government transfers include monetary transfers based on cost-sharing agreements between the three levels of government. Some funds are transferred when the Town provides evidence that the qualifying expenses have been incurred. The Town also receives government transfers once certain criteria have been met or with the stipulation that the funds are used for specific programs or expenses (grants with stipulations). Any transfers received where the transfer stipulations have not been met by year-end are recorded as deferred revenue (see note 5).

17. Segmented information:

The Town provides a range of services to its citizens, including police, fire, transportation, recreational and environmental. For management reporting purposes the Town's operations and activities are organized and reported by department. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

Town services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

- (a) **General Government:** Includes corporate services and governance of the Town. General government is responsible for human resource management. Support to Council for policy development, by-law development in compliance with the Municipal Act, tax billing and collection responsibilities, financial management reporting, monitoring and overall budget status is provided as well as frontline reception and customer service.
- (b) **Protection Services:** Includes policing, fire protection, protective inspection and control and emergency measures. The mandate of the police services contract is to ensure the safety of the lives and property of citizens; preserve peace and good order; prevent crimes from occurring; detect offenders; and enforce the law. Fire protection includes detection, extinguishing and suppression services; and prevention education and training programs. Inspection and control includes building inspection, by-law enforcement and dog control services.
- (c) **Transportation Services:** This department provides the winter and summer maintenance, the repair and the construction of the municipal roads system including bridges and culverts.
- (d) **Environmental Services:** Includes the management and maintenance of water and wastewater system, the landfill site, transfer stations, and the waste collection system that serves the Town.
- (e) **Recreation and Cultural Services:** Provides recreation and leisure programs and facilities, including community halls, libraries, parks, recreation fields and arena. It also provides building maintenance services to all municipal facilities.
- (f) **Planning and Development:** Manages rural development for business interest, environmental concerns, heritage matters, local neighbourhoods and community development. It facilitates economic development by providing services for the approval of all land development plans, the application and enforcement of the zoning by-law and official plan, and the provision of geographic information services.

For each segment separately reported in the schedule below, the segment revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 1.
