Bill 36 – Changes to other Acts related to the Use and Sale of Cannabis

The Province introduced the legislative changes to the operational framework for the sale and use of recreational cannabis yesterday afternoon. AMO staff will be going through the Bill in detail and will provide further information to members in the coming days. In the meantime, the links below will take you to a technical summary prepared by the province and to Bill 36.

One of the key changes from the previous framework is the places of use as noted in our September 26, 2018 Policy Update. In essence, the smoking of cannabis will be prohibited where smoking of tobacco is prohibited. Some details related to the provincial licensing process and standards will be done through regulation. Subject: Notice of Education Development Charges Public Meeting

Good afternoon,

This message is being sent on behalf of both the Simcoe County District School Board (SCDSB) and the Simcoe Muskoka Catholic District School Board (SMCDSB).

The SCDSB and the SMCDSB will jointly hold public meetings to consider the enactment of successor education development charge (EDC) by-laws in Simcoe County.

The meeting details are as follows:

Public meeting in consideration of EDC by-law enactment

Thursday, Oct. 25, 2018 at 6 p.m.

SMCDSB Catholic Education Centre, 46 Alliance Boulevard, Barrie

More information about the meetings can be found in the attached public notice. Background information relating to the process to date is available for each respective board in the links below.

http://smcdsb.on.ca/our_board/education_development_charge_review
https://www.scdsb.on.ca/about/capital_planning/education_development_charges

Should you wish to provide comments or have questions we invite you to submit them to:

Brian Jeffs, Superintendent of Business and Facility Services (SCDSB) at bjeffs@scdsb.on.ca

Peter Derochie, Associate Director of Education, Business and Finance (SMCDSB)
at pjderochie@smcdsb.on.ca

Regards,

Andrew Keuken, MCIP, RPP

Dear Municipal Clerk:

Re: New Legal Requirements for Health Unit Inspected Premises

The Simcoe Muskoka District Health Unit (SMDHU) is sharing with you the new legal requirements under the *Health Protection and Promotion Act* (HPPA) that came into effect July 1, 2018. These new requirements mean *that all businesses in the health unit's region operating an inspected premise under the HPPA are now required to notify the health unit at least 7-14 days before opening*. In some circumstances, owners and operators may need to notify SMDHU before adding new services or renovating an existing business. These notifications may include submitting floor plans, menus, and municipal approvals (e.g. permits, planning, and plumbing approvals).

We are requesting your support in sharing these new requirements with owners and operators in your municipality, particularly for new businesses. As part of your communication with local businesses, we ask that you alert owners and operators to the new regulations, and that resources; including the appropriate notification forms, are available on our website www.smdhu.org/pss.

Inspected premises:

- 1) Food premises
 - a. Operators must notify SMDHU at least seven (7) days prior to opening
- 2) Recreational Camps (camps where overnight accommodation is provided for children and eating facilities are provided)
 - a. Operators must notify SMDHU at least fourteen (14) days prior to opening
 - b. Operators must notify SMDHU promptly when the recreational camp is closed
- 3) Personal Services Settings (including hairdressing, nail salons, aesthetics and tattooing)
 - a. Operators must notify SMDHU at least fourteen (14) days prior to opening
 - b. Operators must notify SMDHU at least fourteen (14) days if adding new services
 - c. Operators must notify SMDHU at least fourteen (14) days if renovating an existing premises
- 4) Public pools and spas (including wading pools)
 - a. Operators must notify SMDHU at least fourteen (14) days before pool and/or spa is put into use
 - b. Operators must notify SMDHU at least fourteen (14) days before the re-opening of a public pool and/or spa after any closure that lasts more than four (4) weeks
- 5) Small drinking water systems as defined in Ontario Regulation 319, under the HPPA
 - a. Operators/owners must notify SMDHU prior to supplying water to users
 - b. Operators/owners must notify SMDHU immediately when they stop providing water to users, or make changes to the system
 - c. Operators/owners must notify SMDHU before supplying water to users after any period of more than sixty (60) days duration where the water has not been used

705-325-9565
FAX: 705-325-2091

In addition, Ontario local public health units are now required to expand their public disclosure system to include routine and complaint inspections of all business types listed above as well as child care centres and tanning premises. As part of this new requirement SMDHU will be enhancing our Inspection Connection disclosure program in stages with full implementation planned for 2020.

If you have any questions about the new notification requirements feel free to contact my office at 705-721-7520 or (877)721-7520 Ext.7235.

Thank you for your support.

Sincerely,

October 1 2018

Mayor McKay and Council

I am writing to you in regards to safety issues on Simcoe Blvd. and Cook Dr. Midland. Speeding is out of control, drivers ignore the playground sign and a homemade sign stating—SLOW DOWN.

In August I expressed my concerns at the Midland Police station requesting some Police monitoring, to date myself and neighbours have not seen any Police presence. Perhaps an electronic sign indicating drivers speed may help or better yet speed bumps. Speed bumps will slow the traffic down and may discourage a lot of the cut through traffic. The taxi cut through traffic is excessive. Also lowering the speed limit and posting it may help.

Most drivers ignore the stop sign at the corner of Simcoe Blvd. and Cook Dr. I suggest a larger stop sign with a flashing light and some Police monitoring.

There are cars parked on both sides of Cook Drive making it somewhat of a maze to drive through with traffic, garbage trucks, mail delivery, UPS, Purolator etc. Cars are often parked over the sidewalk forcing pedestrians to walk on the road and then back on the sidewalk. This is a real problem in the winter with the overnight parking restrictions. I suggest more bylaw parking patrols.

We have a playground area on Cook Drive for children to enjoy and I feel it is just a matter of time before an accident will occur. I realize that this area is not assumed by the town yet but public safety should not have any restrictions. Let's do something now before it's too late.

I have enclosed a petition to support my concerns.

I respectfully await your reply.
Donna Tucker
