

"The Town of Midland does not adopt or condone anything said in correspondence or communications provided to it or its Council, and does not warrant the accuracy of statements made in such correspondence or communications. The Town believes it has a duty to ensure that its proceedings and deliberations are transparent, and that it foster public debate on issues of concern. One of the steps it takes to carry out this duty is to, wherever possible, make the material in its Council Information Packages available on its website."
