Highlights:

- Since Wednesday’s Partner Update, there have been 27 new confirmed cases in Simcoe Muskoka, including 25 new cases reported since yesterday.
- A total of 20 local cases are associated with confirmed workplace outbreaks. This includes two workplaces within Simcoe Muskoka and two workplace outbreaks in other jurisdictions.
  - This is an increase of nine workplace outbreak-related cases since Wednesday.
- Of the remaining 18 new cases reported since Wednesday, the sources of infection are as follows: five close contacts; 12 community acquired; and one under investigation.
- Two respiratory institutional outbreaks were declared over today in Simcoe Muskoka, with one currently on-going (with one staff person who has tested positive). See the list of current institutional outbreaks for more details.

Updates

SMDHU Medical Officer of Health Key Messages from Friday June 19, 2020

- **25 new cases in Simcoe Muskoka since Thursday June 18th** – a large number of new cases was reported in Simcoe Muskoka since yesterday. This is the highest single day increase in cases since the pandemic began. Twenty-three of the newly reported cases reside in Simcoe County and two in Muskoka. Nine cases are associated with an outbreak on a farm in Simcoe County, and the remainder are sporadic (i.e. not associated with that outbreak: 10 community acquired; five close contacts of a case, one undetermined). Eleven of these individuals were asymptomatic (i.e. have no symptoms). We may expect more positive test results among asymptomatic individuals as a result of increased testing requirements for
staff at workplaces and for those who wish to visit long-term care homes. Consideration has been given to whether the spike could be explained by a lag in the turnaround time for test results as testing has increased; however, this time has remained consistent.

This spike in cases has required SMDHU to redeploy staff who had been repatriated to their regular programs of work back to case and contact management, including increases to staff working over the weekend to facilitate outbreak management and to answer questions from the public.

This is yet another reminder of how important it is that we continue to stay the course to prevent the spread of COVID-19 as the province reopens. We must all continue to practise physical distancing, hand sanitization, and use of masks when 2 metres of physical distance cannot be maintained (e.g. small retail settings, public transit), and to self-isolate and seek assessment and testing if you develop symptoms.

- **Farm Outbreaks** - There are two COVID-19 outbreaks on farms in Simcoe County at this time. The first has a total of nine workers who have tested positive, one of whom is a temporary foreign worker living on the premises. The others lived off-site and it is unknown whether they are temporary foreign workers. The second outbreak has 15 confirmed cases at this time, nine of whom are temporary foreign workers and the status of the others is unknown. SMDHU has completed site assessments at both farms and requirements have been provided to prevent further spread and prevent future outbreaks.

- **Temporary Foreign Workers and Stigma** - In the case of outbreaks on farms in our area, infection has been locally acquired rather than originating in a worker’s country of origin. It is important that temporary foreign workers not be stigmatized. These individuals must be treated with the respect and support they need.

**SMDHU Resources**

  - **PLEASE NOTE:** On Friday June 19th, Health Connection’s hours of operation will be extended to 8:30 a.m. to 8 p.m.  
  - **Regular Health Connection hours:** Monday-Friday - 8:30 a.m. to 6 p.m.; Saturday / Sunday / Holidays - 8:30 a.m. to 4:30 p.m.
- SMDHU Vulnerable Populations for COVID-19 Response Interactive Map highlights vulnerable populations (e.g. seniors, persons living in low income) and places (e.g. long-term care homes, COVID-19 Assessment Centres) in Simcoe Muskoka.
- Current COVID-19 information is available on our website.

COVID-19 Update – Child Care and Patio Extensions

Child Care Reopening Plan

Today the Province announced a reopening plan for child care to support economic recovery. Up until now, only emergency child care has been available to essential front-line workers in select locations in communities throughout Ontario. This emergency care will end June 26th as child care centres are permitted to reopen at reduced capacity (i.e. fewer children). They will be subject to health and safety, and operational protocols and requirements. Mandatory training, reporting, and support will be provided by local Medical Officers of Health.

Patio Extensions during COVID-19

Yesterday the Province introduced new measures to support those who have liquor sales licenses to be able to temporarily extend their patios using public health measures once able to safely reopen for business. This was a measure to help local businesses that AMO and municipal leaders asked for in recent weeks and as of June 12th will be available to those regions who are able to reopen safely.

Regulation 719 under the Liquor Licence Act (LLA) has been amended to provide flexibility for liquor sales licensees (e.g. licensed bars and restaurants) to temporarily extend their physical premises beyond 14 days provided they have municipal approval and meet the criteria below.

Once permitted to open again and until January 1, 2021 at 3:00 a.m., liquor sales licensees who wish to temporarily extend the physical size of their existing licensed patio or to temporarily add a new licensed patio within the approved period, are authorized to do so, if the following criteria are met:

- the physical extension of the premises is adjacent to the premises to which the license to sell liquor applies;
- the municipality in which the premises are situated has indicated it does not object to an extension;
• the licensee is able to demonstrate sufficient control over the physical extension of the premises;
• there is no condition on the liquor sales license prohibiting a patio; and,
• the capacity of any new patio, or extended patio space where the licensee has an existing licensed patio, does not exceed 1.11 square metres per person.

The Province has also minimized administrative burden for licensees under this amendment as they are not required to apply to the Alcohol and Gaming Commission of Ontario (AGCO) or pay a fee to temporarily extend their patio or add a temporary new licensed patio. The AGCO has also worked to reduce administrative burden on this process.

AMO’s COVID-19 Resources page is being updated continually so you can find critical information in one place. Please send any of your municipally related pandemic questions to covid19@amo.on.ca.

AMO Board Update: COVID-19, Three Months and Counting

It’s been three months since the state of emergency was declared in Ontario. That’s a full quarter of 2020. Yet, questions remain about how our communities, our province, and our country will move forward to sustain, transform, and fund services people rely on most, and to rebuild our economies.

Municipal governments have done an extraordinary job of keeping communities safe and conducting the business of government in tough and uncertain circumstances. The uncertainty is compounded by the economic and fiscal impacts of disruption, and the related fallout for the people and businesses in our communities.

AMO’s Board met today. It recognizes that all orders of government have made important investments in keeping people safe and safeguarding the economic security of individuals. But as municipal operational costs skyrocket and revenues decline sharply, municipal governments are facing a financial crisis that will undermine any economic recovery, if Canada and Ontario do not provide immediate financial assistance. AMO is, again, calling on Prime Minister Trudeau and Premier Ford to work together to invest in the communities that are the foundation of Ontario’s and Canada’s economy. Members are supporting our advocacy efforts through local communications, government relations and social media, and it is making a difference. Thank you for your efforts and your support.

Minister Steve Clark joined the Board meeting today. He acknowledged the need for a collaborative federal-provincial response, encouraged AMO to continue its advocacy, and expressed the Premier’s support to bring the Government of Canada to the table in Ontario.

The Board’s business today also included a wide range of municipal policy matters for discussion and direction. AMO remains focused on keeping communities safe during the pandemic, and on supporting economic recovery. AMO is preparing for the Province’s upcoming Independent Commission into Long-Term Care, and outbreaks among migrant workers are a growing concern. The Board looked at elements of
AMO’s submission to the Standing Committee on Social Policy on Bill 184, the *Protecting Tenants and Strengthening Community Housing Act*. AMO continues to have grave concerns with the Ministry of Natural Resources and Forestry’s approach on below water table aggregate extraction, as elected municipal officials are personally liable for the protection of safe drinking water. The Board was also updated on AMO’s ongoing climate change strategy, broadband and connectivity activities, and the status of the Blue Box steward obligation through which municipalities receive financial compensation for their Blue Box operations.

The Board also received an update on planning for the 2020 AMO Conference. There has never been a more important time to participate in the conference, with lessons learned from COVID-19, the future of municipal services, firsthand interaction with the Province, and the opportunity for delegation meetings to advocate directly on behalf of your community. The program will also feature new elements, including AMO’s first Women’s Leadership Forum and a panel of industry leaders charting Ontario’s path to recovery. Registering for the conference is another way you can support AMO’s important work.

Finally, the AMO Board expressed its thanks to members for the remarkable leadership of municipal councils and extraordinary municipal public administrators in responding to the COVID-19 emergency, keeping people safe, maintaining essential services and social cohesion, and building a foundation for economic recovery.

Thank you for supporting AMO and the work we do on your behalf.

June 22, 2020

AMO Policy Update – Stage 2, Emergency Declaration Extension and Water Bottling Consultation

As activities related to the COVID-19 pandemic are starting to be the new normal, the provincial government is starting to release information on some of their non-COVID-19 related policy work. AMO members will see this reflected in our policy updates going forward that will include a combination of COVID-19 and non-COVID-19 policy updates of a municipal government interest.

Stage 2 Re-openings

The Province announced today that the City of Toronto and Peel Region will be allowed to go to Stage 2 re-openings as of Wednesday June 24th, however, the Windsor-Essex region is to stay in Stage 1 at this time. Testing and farm inspections will be increased in this area with the expectation that Windsor-Essex to be able to enter Stage 2 soon as they will be assessed on an ongoing basis.

Possible Extension of the Provincial Emergency Declaration

The Ontario Legislature reconvenes on Tuesday, June 23rd. The government has indicated its motion to renew its emergency declaration under the Emergency Management and Civil Protection Act, for another potentially final 15 days to mid-July, and will be introduced to the House either Tuesday or Wednesday.

It should be noted that the Province can extend existing emergency orders in 14-day intervals after the emergency ends to deal with the effects of the pandemic. But once the provincial emergency declaration expires, the Ontario government can only reissue or eliminate these Cabinet orders (Order in Council regulations) but is not able amend or draft brand-new orders.
Province Considers Requiring Municipal Support for New and Expanded Water Bottling Proposals

The Ontario Government has announced it is consulting on proposals to manage and protect surface and groundwater quantity. Proposals include:

- Requiring water bottling companies to have the support of their host municipalities for new and increasing bottled water takings, with an exemption for small businesses.
- Establishing priorities of water use in the province that can guide water taking decisions.
- Assessing and managing multiple water takings together in areas of the province where water sustainability is a concern.
- Making water taking data available to the public to increase transparency of how Ontario manages water resources.

The consultation period is open until August 2, 2020. Municipal officials are encouraged to review the proposals and provide feedback through the Environmental Registry.

AMO’s COVID-19 Resources page is being updated continually so you can find critical information in one place. Please send any of your municipally related pandemic questions to covid19@amo.on.ca.

June 24, 2020

**AMO Policy Update – Provincial Emergency Extended and Tribunals Ontario**

**Provincial Emergency Extended**

The provincial government has extended the provincial Declaration of Emergency under s.7.0.7 of the *Emergency Management and Civil Protection Act* to **July 15, 2020**. This extension, approved by the Ontario Legislature today, was put in place to provide additional time, flexibility, and the necessary tools to safely and gradually allow more places across Ontario to reopen using the required public health measures. A full list of emergency orders can be found on the [e-Laws website](https://www.ontario.ca/laws) under the *Emergency Management and Civil Protection Act*.

**Tribunals Ontario to Replace Environment and Land Tribunals Ontario**

Since 2017, the Ontario Government has been working to transition tribunals or boards that arbitrate land-based matters into a single Tribunal. This work has been completed and will take effect July 1, 2020. This new organization will include the Local Planning Appeal Tribunal (LPAT), Environmental Review Tribunal, Board of Negotiation, Conservation Review Board, the Mining and Lands Tribunal, and the Assessment Review Board.

The appointed Executive Chair, Marie Hubbard, indicated that the Tribunal will “focus on land-related dispute resolution to help increase the housing supply in the province, while balancing the needs of environmental protection and conservation”.

A new website will be launched soon at [olt.gov.on.ca](https://www.olt.gov.on.ca) and the former Environment and Land Tribunals Ontario website will be decommissioned. Finally, effective July 1, **fees for filing appeals** with the LPAT will increase. The filing fees will depend on the type of appeal being made.

AMO’s [COVID-19 Resources](https://www.amo.on.ca/covid-19) page is being updated continually so you can find...
critical information in one place. Please send any of your municipally related pandemic questions to covid19@amo.on.ca.

*Disclaimer: The Association of Municipalities of Ontario (AMO) is unable to provide any warranty regarding the accuracy or completeness of third-party submissions. Distribution of these items does not imply an endorsement of the views, information or services mentioned.
June 22, 2020

TO: Assessment Review Board Stakeholders

FROM: Mira Gamsa, Director of Operations, Tribunals Ontario

RE: Assessment Review Board Fee Increases on July 1, 2020

Tribunals Ontario is increasing applications fees by six per cent for the Assessment Review Board (ARB), the Landlord and Tenant Board (LTB) and the Licence Appeal Tribunal (LAT).

The increase in fees is necessary to fulfil Tribunals Ontario’s commitment to offset the cost of providing fair, impartial, and high-quality adjudication to Ontarians who have disputes. The fees are still structured so that services are reasonable and accessible.

Effective July 1, 2020, the ARB residential fee is increasing from $125.00 to $132.50 per appeal, regardless of taxation year, and the non-residential fee is increasing from $300.00 to $318.00 per appeal, regardless of taxation year.

If you have any questions about the new fees, please contact the ARB at ARB.Registrar@ontario.ca.

Thank you,

Mira Gamsa
Director of Operations
Tribunals Ontario
BIAMeeting Minutes
Tuesday, May 5th, 2020

Attendees:

- Matthew Shepherd (minute-taker)
- Scott Campbell
- Christine Taylor
- Jon Main
- Paula Lynn Meridis
- Colin Pape
- Karen Shepherd
- Solomiya Kieltyka
- Susan Canning
- Courtney Corfield

Absent:

- 

Meeting Details:

- 7:21pm

Notes:

- Back Entrance Façade Improvement Program
  - Scott asked for ideas from the Board:
  - SUE: Would like to continue the back entrance façade program
  - SCOTT: Chatted with Steve Foster - SGB Farmers Market is allowed to open under specific guidelines. Hoping to open on June 1st, 2020. Steve asked if the BIA could assist with funds for a hand washing station and/or portable toilet
  - PAULA: Hire a delivery service to do free deliveries in the area. Matt to reach out to 3 cab companies in town for quotes/suggestions (start with G.B. Taxi). Bring results to board and then discuss tv ads. Board is leaning towards tv ads
  - PAULA: Grant for people to pay for services such as - Collaborative Haus, ShopMidland.com, Assisting You Social, Willow Graphix, etc.
  - $33,503.50 / $35,000 is still left of the budget and 2 businesses have applied for the program (1 has been paid)
  - Currently 25 businesses are allowed to operate as ‘essential businesses’. 35 businesses have an online store set up and 17 are selling gift cards online
Bell Media (CTV Barrie * TV *, 104.1 The Dock & 106 Pure Country * Radio *) gave Matt a list of offerings:

- **CTV Barrie**: Option A (14 x 10 seconds) - $500 per week / 10 second commercials: 2 (6pm news), 3 (12pm to 1pm encore strip news), 5 (6am news), and 4 (11pm news)
- **CTV Barrie**: Option B (4 x 10 seconds) - $300 per week / 10 second commercials: 3 (6pm news) and 1 (12pm to 1pm encore strip)
- 30 second ads are an option ($260 - $290 per 1 ad)
- **104.1 The Dock**: Buy One Get One Radio Schedule (80 x 30 second ads)
- **106 Pure Country**: Buy One Get One Radio Schedule (80 x 30 second ads)
- **Cost per spot $30 x 40 ads = $1,200**
- **80 x 30 second ads (@ $40 spot rate) regularly a $3,200 value**
- **Cost per spot $35 x 40 ads = $1,400**
- **80 x 30 second ads (@ $50 spot rate) regularly a $4,000 value**
- **IDEA**: $2,000 x 2 months (CTV Barrie – option A) & $2,600 x 2 months (radio 10 ads weekly on both radio stations) = $4,600 for 2 months

- Scott Campbell
  - No security issues lately
  - EDCNS - Scott sits on the committee and they're trying to push their website for business support and updates
  - In the future we should consider putting out decals messaging that businesses are open
  - Nicole Di Pinto will be doing a temporary spray painted hopscotch on the top block of King Street between Hugel Avenue & Elizabeth Street (town has approved)

- Jon Main
  - New CAO has been hired at the Town of Midland
  - Encourage everyone to fill out survey from County of Simcoe for impact

- Events
  - Events Committee Meeting (April 29th) – Next meeting on May 27th

- Budget
$2,500 budget for 2020 events & $3,000 for a Christmas campaign. 

**Used to date:** $200 for (2) Shop Local Saturday $100 Giveaway, $850 for PA system, $41.80 speaker patch cord & $200.01 chocolates for Easter giveaway.

- **Grants**

  **Celebrate Ontario 2020:** Matt applied for funding to run a Health & Wellness event with vendors/BIA members selling health related goods and educating the public. Free programming would be run with a few live musicians, yoga class, dance class, road basketball, road ball hockey and would tie in with the farmers market on Sunday, August 9th, 2020. The BIA would also track receipts for spending, email collection and would do a giveaway to encourage shopping. Janice is interested in taking the lead should it move forward. NO UPDATES

- **Past Events**

  **Celebrate King Street:** Webpage launched at the end of March with 54 photos of king street over the last 100+ years. The webpage can be found at www.bigdig.info/celebratekingstreet and contains updated info related to online shopping, current free parking, list of business operations, list of essential businesses currently open, etc. The page brought over 675+ people to the website and put some key information in front of them. 175 + new view this month.

  **Chocolate Giveaway Online:** Chocolates were purchased from The Elegant Gourmet before COVID-19 really grew and the BIA had over 100 chocolates pre-wrapped. Matt did a giveaway the week of Easter with a sharing contest on social media to get people to spread the word about online stores operating (e-commerce & e-gift cards). A winner was selected on the Saturday of Easter weekend and they won a basket of eggs. The contest had 77 shared and reached 4000+ people (FB). 683 pages views so far on www.downtownmidland.ca/shoponline

  **$250 April Shop Local Giveaway:** People could shop at any business (online included) in the Downtown Midland BIA from April 1st to April 30th for a chance to WIN $250 in downtown dollars. A ballot was received for every $10 spent at participating businesses and emails collected * only 1 ballot needed to be filled out *. In order to enter, proof of payment had to be sent to downtownmidlandbia@gmail.com by April 30th at 11:59pm. Emails were gathered for subscriber list. $200 in paid ads are currently happening on FB/Instagram – campaign is running until the
end of May with $100/$200 spent so far. The campaign highlights the giveaway, list of businesses operating, essential businesses operating and most importantly where to find the list to shop online/buy e-gift cards. The campaign has reach 7,771 people (6,500 + paid). Results: $8,879.44 spent, 867 entries, 14 new email subscribers, 24 businesses were supported. Winner has been contacted and sent downtown dollars.

**Canada Day Celebration VIRTUAL:** Town of Midland (Nicole Major) & Town of Penetanguishene have been discussing virtual activities for Canada Day. Jon had the ideas to drive through the park and do a parade, bit have people stay in their cars. Matt sent the idea to Nicole to do it down King Street. With 4 lanes cars could line up down 2 lanes and the parade could go down the middle of the street from the highway to the recreation centre. Nicole wants to know if the BIA is interested in doing anything.

- **Upcoming 2020 Events**

**$250 May Shop Local Giveaway:** Shop at any business (online included) in the Downtown Midland BIA from May 1st to May 31st for your chance to WIN $250 in downtown dollars. A ballot will be received for every $10 spent at participating businesses and emails will be collected *only 1 ballot needs to be filled out*. In order to enter, proof of payment must be sent to downtownmidlandbia@gmail.com by May 31st at 11:59pm. Emails will be gathered for subscriber list.

**Midland Movie Nights:** Shop downtown during the two weeks leading up to each movie night and show your receipt at the movie to receive a free combo *popcorn & drink*. Matt & Jon went through the directory and picked out the following films below. Council, ACF and board approved line up. Movies can be rescheduled due to covid-19 if needed. Georgian Sanitation will be providing a portable toilet at each movie night. Sponsorship is currently available for 4/6 films and costs $500 *ask Matt for details or find on social media*.

- Wednesday, July 8th - Star Wars: The Rise of Skywalker
- Wednesday, July 22nd – Big News From Grand Rock
- Wednesday, August 5th - Frozen 2 *sponsored *
- Wednesday, August 19th - The Karate Kid (1984) *sponsored *
- Wednesday, September 2nd - The Lion King (2019)
- Saturday, October 3rd - Addams Family (2019)

- **Brainstorming**
**Mother’s Day Giveaway:** Matt mentioned that there’s another $250 giveaway happening for the month of May.

**Sweetwater Harvest – Wye Marsh:** Matt was set to put up a tent at the event and it was then cancelled due to covid-19

**Live Streaming Events:** Matt sent Janice contacts of businesses in the BIA related to wellness to hopefully host a live-streamed conference with interactive activities. Matt to start a video series of interviews with businesses to talk about their operations and showcase items during covid-19. An email will be sent out this week to invite businesses owners to schedule a time. The first video with ‘Sheps’ was uploaded on April 30th and has 300+ views.

- Property Vacancy Committee
  - No updates

- Façade Improvement
  - Front Façade Improvement Program 2020 Approved – Assante Wealth Management * pending *, Wake Wellness approved for $3,000
  - $17,874.87 Budget - $3,000 approved
  - $14,874.87 left of 2020 budget
  - $2,874.87 carried over from leftover 2019 budget
  - Minds Alive extension granted ($2,500 from 2019 budget) work must be until December 31st, 2020 for their Façade Improvement (unable to do the work in December due to the weather). Matt informed Minds Alive
  - ShopMidland.com extension granted ($2,021.58 from 2018) until December 31st, 2020 for their Façade Improvement. Matt informed ShopMidland.com
  - Back Entrance Façade Improvement Program: Approved – Wake Wellness for $774 * paid *, Indulge Boutique for $722.50
  - $35,000 Budget - $1,496.50 approved
  - $33,503.50 left of budget

- Streetscape
  - Ad bin on the corner of Hugel Avenue/King Street outside of ShopMidland.com has been moved to the 526 Bay Street Parking Lot

- Expansion
  - Matt has a large amount of business assessment values and is waiting to send them out via email & physical copies

- Treasury
  - No updates

- King Street Rejuvenation
  - Weekly updates have been posted via e-blast / social media
  - Construction way finding signs for the top half of downtown will be ordered closer to expansion of the construction
  - Matt & Scott to attend the first construction meeting with Arnott, C.C. Tatham & the Town of Midland on Thursday via phone call
  - Complete list of business operations is now available on the homepage of downtownmidland.ca (business name, addresses, website links, and legends that indicate: take out, delivery, curbside pick up, online store, e-gift cards for sale, back entrances accessible, drop off and on call for emergencies)
  - Temporary crosswalk has been added on King Street between Dominion Avenue & Hugel Avenue for pedestrian traffic

Motions:

Motion to accept the meeting minutes from April 7th

- 1st Karen

Dear Ms. Daniels:

Re: Request Proclamation of March 17 as Essential Workers Day

Please be advised the Municipal Council of the Town of Fort Erie at its meeting of June 8, 2020 received your correspondence dated May 28, 2020 and supported the resolution passed by the Council of the City of Brantford to respectfully request that the Government of Ontario and the Government of Canada formally declare March 17 to be Essential Workers Day to honour all of the essential workers who sacrificed so much during the COVID-19 pandemic and all municipalities across Ontario and Canada be invited to proclaim March 17 to be Essential Workers Day in their respective municipalities.

On behalf of Council, thank you for your correspondence.

Yours very truly,

Carol Schofield, Dipl.M.A.
Manager, Legislative Services/Clerk

LAS offers Virtual Energy Training sessions!

Hello fellow Energy Champions,

Hope you are all keeping well and staying safe.

Many municipalities have shut down their buildings and many of you might be working from home. We know that some may want to take advantage of this slower time, so LAS and Stephen Dixon (TdS Dixon) are now offering **virtual Energy Training sessions** including virtual energy hunts. It sounds complicated, but it actually works very well!

Incentives up to 75% are also available from the IESO.

Feel free to [contact me](mailto:las@las.on.ca) if your team is interested in a workshop.

Stay safe.

To opt-out of EPT Workshop eblasts, please email las@las.on.ca.

To: All Ontario Municipalities

Re: Long Term Care Home Improvements

At its meeting held on June 22, 2020, Sarnia City Council adopted the following resolution submitted by Councillor Margaret Bird with respect to the conditions in Long Term Care homes exposed by the pandemic:

That due to the deplorable conditions exposed by the pandemic in LTC homes in the province, and because this is a time for action, not just continuous streams of investigations, commissions and committees, and because the problems have been clearly identified, that Sarnia City Council direct staff to send this motion to the 444 Ontario Municipalities, asking them to urge Premier Ford to start implementing the required resolutions immediately, as follows:

1. increasing hours for all part-time and casual labour

2. since the government provides funding for privately-operated homes, they have an obligation to inspect these homes and see that they are being properly run, and that funds are being used for the benefit of the residents and not the huge profitability of the operators, and

3. to end the neglect and unacceptable conditions being experienced, each day, by our vulnerable seniors.

Sarnia City Council respectfully seeks your endorsement of this resolution. If your municipal council endorses this resolution, we would request that a copy of the resolution be forwarded to the following:
Doug Ford, Premier of Ontario; and

City of Sarnia, City Clerk’s Office
clerks@sarnia.ca

Sincerely,

Dianne Gould-Brown
City Clerk

In last week's episode, change management consultant Nolan Crouse joined us to discuss the long-term financial impacts of COVID-19 on rural communities. In Part 2, he shares his thoughts on COVID-19's effects on the
housing market, the importance of a regional approach, and the upcoming tax difficulties that municipalities across Canada face.
A new media release has been made by the OPP for Southern Georgian Bay. The release content is below. If you wish to unsubscribe from these alerts, log into the OPP News Release Portal and select "Manage Account".

FROM/DE: Southern Georgian Bay Detachment    DATE: June 20, 2020

OPP Marine Unit Asks - Are You and Your Passengers Wearing an Approved Lifejacket?

(MIDLAND, ON) - Members of the OPP Marine Patrol attached to the Southern Georgian Bay Detachment of the Ontario Provincial Police (OPP) have recently come across a number of non-approved lifejackets while conducting their vessel checks on the waters Georgian Bay. The officers educated those vessel operators to ensure that their vessels contained sufficient approved lifejackets for each occupant of the vessel. Please see the supplied attached photographs of the non-approved Lifejackets the officers found.

Vessel operators should check that their vessel lifejackets have a label that stating it has been approved by any of the organizations below:

- Transport Canada
- Canadian Coast Guard
- Fisheries and Oceans Canada

Please take a moment to review the following Transport Canada link https://www.tc.gc.ca/en/services/marine/getting-started-safe-boating/choosing-lifejackets-personal-flotation-devices.html#standards to ensure that you have the correct lifejackets aboard your vessel and OPP Marine Officers want to remind all boaters that Lifejackets only work if you wear them!

Officers crewing the OPP patrol vessels remind all vessel operators that they are checking for vessel equipment and for liquor offences which they are vigorously enforcing in an effort to
reduce injuries and fatalities on our area waterways this summer. For more information on safe vessel operation and equipment please view the following web site - https://www.tc.gc.ca/eng/marinesafety/debs-obs-menu-1362.htm.

Police remind operators that an essential part of the enforcement job is to save lives and reduce injuries on our waterways. Educating the public about safe vessel operating practices is a priority.

A new media release has been made by the OPP for Southern Georgian Bay. The release content is below. If you wish to unsubscribe from these alerts, log into the OPP News Release Portal and select "Manage Account".

FROM/DE: Southern Georgian Bay Detachment    DATE: June 22, 2020

OPP Weekend Marine Report

(MIDLAND, ON) - Members of the OPP Marine Unit attached to the Southern Georgian Bay Detachment of the Ontario Provincial Police (OPP) were out on patrol over the weekend of June 18-21, 2020. Marine officers conducted 35 hours of patrol on the waters of Georgian Bay checking 25 vessels and their operators for any signs of impairment and for having all of the required equipment.

Those vessel checks resulted in the following infractions being noted-

- Four offence notices were issued to operators of vessels that did not have sufficient Life Jackets for all persons aboard.
- Three operators were ticketed for failing to provide their vessel registration or Pleasure Craft Operator Card (PCOC)
- One offence ticket were issued to an operator with open liquor while underway.
- 11 warnings were issued by the officers for various marine equipment issues.

Officers attended seven calls for service from the public including searching and locating two persons lost in the McCrea Lake area and a vessel fire in Georgian Bay Township extinguished by Georgian Bay Fire Service with the three occupants escaping unharmed. (see attached submitted photograph) Another search was also conducted in Hogg's Bay at 3:25 p.m. June 21, 2020 by the marine unit for a missing swimmer last observed before the afternoon rain storm. Swimmer was located safe on shore.

The Marine Unit also visited four area marina's and made themselves available for marine educational questions from marina patrons during their patrol time. Officers remind boaters operating human powered water craft such as canoes that impaired driving legislation does apply as does the Liquor Licence Act.
Young vessel passengers who were observed wearing their Life Jacket continue to be rewarded by officers with the popular "I Got Caught Wearing My Life Jacket" T-Shirt program - (see attached submitted photograph)

Boaters should also check the following websites and comply with any restrictions before planning to go ashore on your favourite island in Georgian Bay.

Officers crewing the OPP patrol vessel's remind all vessel operators that they are checking for vessel equipment and for liquor offences which they are vigorously enforcing in an effort to reduce injuries and fatalities on our area waterways this summer. For more information on safe vessel operation and equipment please view the following web site [https://www.tc.gc.ca/eng/marinesafety/debs-obs-menu-1362.htm](https://www.tc.gc.ca/eng/marinesafety/debs-obs-menu-1362.htm) and the attached MADD Canada poster

Police remind operators that an essential part of the enforcement job is to save lives and reduce injuries on our waterways. Educating the public about safe vessel operating practices is a priority.

Ontario Provincial Police-Central Region
THE CORPORATION OF THE
TOWN OF MIDLAND

NOTICE OF PUBLIC MEETING
APPLICATION TO AMEND THE ZONING BY-LAW
611 Midland Point Road

TAKE NOTICE that pursuant to Section 34 of the Planning Act, R.S.O. 1990, Council will hold a Public Meeting on Wednesday, July 15, 2020 at 7:00 p.m., or as soon thereafter as the matter can be dealt with, via an electronic meeting to consider the following Zoning By-law Amendment Application:

Owner: Dave Templeton
Application No.: ZBA-03-20
Location: 611 Midland Point Road (See Location Map)

Pursuant to provincial policies, public attendance at Council meetings is not permitted at this time; however, you may still participate in the public meeting as outlined below. Meetings are being audio recorded and can be viewed live on Rogers TV (cable 53) or via the RogersTV link: https://bit.ly/TownofMidland-Council

THE PURPOSE AND EFFECT of the proposed Zoning By-law Amendment Application is to facilitate a Committee of Adjustment decision on November 14, 2019, to sever two (2) new residential building lots, both having frontages of 35 metres on Midland Point Road, depths of 50 metres and lot areas of approximately 0.175 hectares. The retained lands, which includes the existing house and garage, will have a frontage of 16.46 metres on Puddicombe Road, 68.02 metres of frontage on Midland Point Road and an area of approximately 2.2 hectares. The application proposes a total of three (3) lots; two (2) severed and one (1) retained. As a condition of approval, the Applicant is required to rezone all three (3) lots from the RURAL ZONE – RU to the RESIDENTIAL ZONE – R5 and ENVIRONMENTAL PROTECTION EXCEPTION ZONE – EP-XX in accordance with the proposed land use and the accepted Environmental Impact Assessment.

AND FURTHER TAKE NOTICE that pursuant to Section 34(10.7) of the Planning Act, the Application file is part of the public record and is available to the public for inspection. Any person wishing further information or clarification with regard to the application or to arrange to inspect the file should contact the Planning and Building Services Department at (705) 526-4275, extension 2215. If you are submitting letters, faxes, emails, presentations or other communications with the Town concerning this application, you should be aware that your name and the fact you communicated with the Town will become part of the public record. The Town will also make your communication and any personal information in it available to the public, unless you expressly request the Town to remove it.

Any person may make representation or present submissions respecting this matter. If you wish to make a written submission, it should be directed to the Clerk’s office or to planning@midland.ca.

Please see the opposite side of this Notice for more information
If you are unable to make a written submission and therefore wish to make an oral statement during the meeting please follow link to view more information and instructions on how you can participate: www.midland.ca/electronic-meeting-participation

For more information about this matter, including information about preserving your appeal rights, contact the Planning and Building Services Department at planning@midland.ca or (705) 526-4275 extension 2215.

Dated at the Town of Midland this 24th day of June, 2020.

THE CORPORATION OF THE
TOWN OF MIDLAND

NOTICE OF PUBLIC MEETING
APPLICATION TO AMEND THE ZONING BY-LAW
743 Midland Point Road

TAKE NOTICE that pursuant to Section 34 of the Planning Act, R.S.O. 1990, Council will hold a Public Meeting on Wednesday, July 15, 2020 at 7:00 p.m. or as soon thereafter as the matter can be dealt with, via an electronic meeting to consider the following Zoning By-law Amendment Application:

Owner: Amy Ruston
Application No.: ZBA-02-20
Location: 743 Midland Point Road (See Location Map)

Pursuant to provincial policies, public attendance at Council meetings is not permitted at this time; however, you may still participate in the public meeting as outlined below. Meetings are being audio recorded and can be viewed live on Rogers TV (cable 53) or via the RogersTV link: https://bit.ly/TownofMidland-Council

THE PURPOSE AND EFFECT of the proposed Zoning By-law Amendment Application is to obtain approval for the severance of the subject lands in order to facilitate the creation of three (3) new lots and one (1) retained lot for low-density residential development. Two (2) lots will be rezoned to Residential Zone – R5 and one (1) lot will be rezoned to Residential Zone Exception – R5-XX for a reduction in lot frontage from the required 25 metres to 20 metres. The balance of the lands will be zoned Environmental Protection Zone – EP. A concurrent Provisional Consent application has been submitted to facilitate the development.

AND FURTHER TAKE NOTICE that pursuant to Section 34(10.7) of the Planning Act, the Application file is part of the public record and is available to the public for inspection. Any person wishing further information or clarification with regard to the application or to arrange to inspect the file should contact the Planning and Building Services Department at (705) 526-4275, extension 2215. If you are submitting letters, faxes, emails, presentations or other communications with the Town concerning this application, you should be aware that your name and the fact you communicated with the Town will become part of the public record. The Town will also make your communication and any personal information in it available to the public unless you expressly request the Town to remove it.

Any person may make representation or present submissions respecting this matter. If you wish to make a written submission, it should be directed to the Clerk’s office or to planning@midland.ca.

Please see the opposite side of this Notice for more information
If you are unable to make a written submission and therefore wish to make an oral statement during the meeting please follow link to view more information and instructions on how you can participate: [www.midland.ca/electronic-meeting-participation](http://www.midland.ca/electronic-meeting-participation)

For more information about this matter, including information about preserving your appeal rights, contact the Planning and Building Services Department at planning@midland.ca or (705) 526-4275 extension 2215.

FOR IMMEDIATE RELEASE

County and area partners offer Ask an Expert Virtual Series to support businesses during COVID-19

Midhurst/June 24, 2020 – On June 29, the County and area partners invite representatives from local businesses and organizations to join another virtual “Ask an Expert” session with employment and labour law experts as they help businesses navigate potential employment and workplace challenges related to reopening, operating safely and supporting employees during the pandemic.

Tim Timpano, Partner, Downey Tornosky Lassaline & Timpano, joined by Sophie Mathewson, Strategic Advisor & Coach at Prism Group International, will share helpful information, advice and guidelines, including:

- Best practices for re-engaging employees
- Managing employee expectations and ensuring a positive employment experience
- Employer and employee obligations for safe workplaces
- Constructive dismissals in Ontario

There will also be an opportunity for businesses to pose questions to experts during a live Q&A session.

EVENT: Ask an Expert Legal and Human Resources Advice on Reopening & Re-engaging Employees

Where: Zoom (details for joining the Zoom meeting will be sent in advance)

When: June 29, 2020 ~ 3 to 4 p.m.

Register: Visit https://ask-an-expert-legal-and-hr-advice.eventbrite.ca

Participants can submit question in advance by emailing edo@simcoe.ca

This session is part of the “Ask an Expert” series presented in partnership with the County of Simcoe, the Small Business Centre of Barrie, Simcoe County and Orillia, South Georgian Bay Small Business Enterprise Centre, Orillia Area Community Development Corporation, Nottawasaga Futures, North Simcoe Community Futures Development Corporation and the Centre for Business and Economic Development.

County of Simcoe is composed of sixteen member municipalities and provides crucial public services to County residents in addition to providing paramedic and social services to the separated cities of Barrie and Orillia. Visit our website at simcoe.ca.

Update for Partners

COVID-19

June 24, 2020

Current Situation

Updates
SMDHU Resources
Credible Sources of Information

Current Situation

| Simcoe Muskoka COVID-19 Case Status (As of June 24, 2020 at 13:00) |
|---------------------------------|-----------------|-----------------|-----------------|
| Total cases | Recovered | Deaths | Current Hospitalizations |
| 577 | 468 (81%) | 36 (6.2%) | 5 |

Highlights:

- Since the Partner Update on June 19th, 25 new cases of COVID-19 have been reported in Simcoe Muskoka.
- Approximately one-fifth (109 or 19%) of our 577 cases are associated with a local institutional outbreak. There are currently two ongoing COVID-19 institutional outbreaks in Simcoe Muskoka. See the list of current institutional outbreaks for more details.
- A total of 23 local cases of our 577 cases are associated with confirmed workplace outbreaks. This includes three workplaces outbreaks within Simcoe Muskoka and two workplace outbreaks in other jurisdictions.
  - This is an increase of two workplace outbreak-related cases since Friday’s Partner Update.
- Of the 25 new cases reported since Friday, the sources of infection are as follows: 16 close contacts; five community acquired; one associated with an institutional outbreak; one under investigation; and two workplace-related.
- For the week of June 15 to June 21:
  - The weekly incidence rate in Simcoe Muskoka doubled compared to the previous week (June 8 to June 14), with 44 new cases reported.
  - Simcoe Muskoka’s doubling time decreased by nearly two months from the previous report (June 8 to June 14), and is currently 98.5 days, down from 156.1 days.
  - Ontario’s doubling time increased by 30 days from the previous week, and sits at 126.7 days.

| Ontario COVID-19 Case Status (As of June 24, 2020 at 10:30) |
|---------------------------------|-----------------|-----------------|-----------------|
| Total cases | Recovered | Deaths | Current Hospitalizations |
| 34,016 | 29,336 (86.2%) | 2,631 (7.7%) | 278 |
Highlights:
- On six of the last eight days, Ontario reported fewer than 200 new cases of COVID-19.
- There are currently 73 people in ICU with 48 on ventilators. Looking to previous Partner Updates, both have been trending downwards for more than a month.
- A total of 1,236,023 tests have been completed, with 23,207 tests completed in the previous day and 21,398 tests currently under investigation.

Province of Ontario website.

| Canada COVID-19 Case Status (As of June 23, 2020 at 19:00 EDT) |
|------------------|------------------|------------------|
| Total cases      | Recovered        | Deaths           |
| 101,963          | 64,704 (63%)     | 8,454 (8.3%)     |

Highlights as of June 23, 2020 at 19:00 EDT:
- The rate of total cases of COVID-19 in Canada was 271 per 100,000 population.
  - No new cases have been reported in seven provinces or territories within the past 24 hours.
- The rate of death from COVID-19 remained steady from the June 17th Partner Update at 22 per 100,000 population.
  - British Columbia, Ontario and Quebec reported new deaths within the past 24 hours.
- 2,482,869 people have been tested for COVID-19 in Canada.
  - This equates to a rate of 66,053 people tested per 1,000,000 population.
  - Percent positive (total) is 3.8%.

The detailed epidemiology report is now updated weekly on Thursdays, with higher-level daily epidemiology updates posted at 20:00 EDT. Government of Canada website.

| Global Situation (As of 12:08pm CEST June 24, 2020) |
|------------------|------------------|
| Confirmed Cases  | Confirmed Deaths |
| 9,110,186        | 473,061          |

- On June 21, 2020, more than 183,000 new cases of COVID-19 were reported to World Health Organization (WHO) – the most in a single day to-date.
- The Americas continue to have the highest number of confirmed cases (4,507,006), followed by Europe (2,562,642) and the Eastern Mediterranean (950,730).
  - The United States of America has reported 2,295,272 confirmed cases.
- The investigation of a cluster of COVID-19 cases in Beijing associated with a wholesale market continues. Between June 11 and June 18, Chinese authorities reported a total of 172 cases, including 158 in Beijing, 10 linked cases in Hebei Province, 2 in Liaoning Province, 1 in Sichuan Province and 1 in Zhejiang Province.

WHO COVID-19 Disease Dashboard; daily WHO Situation Report

Updates
- SMDHU issued an order under the Health Protection and Promotion Act (HPPA) to employers of farm workers in Simcoe Muskoka to help reduce the risk of COVID-19 transmission on farms. The Section 22 class order was issued effective 12 noon today. Details – including the order and an FAQ – have been posted to our website along with the press release. The Order was also emailed directly to farms with temporary workers.
- There is no Medical Officer of Health media briefing scheduled for the week of June 22nd. For the next two weeks, Dr. Gardner’s Facebook Live media briefing will take place on Tuesdays at 2:00 p.m., after which the briefings will be held on an as needed basis. Recordings are posted on SMDHU Facebook page and YouTube Channel.
- Due to the Canada Day holiday, next week’s Partner Update will be produced on Thursday July 2, 2020.

International Updates since the June 17th Partner Update

The World Health Organization (WHO):

- Provided a summary of a webinar titled *Sports events and COVID-19: from lockdown to a new start* in the June 23, 2020 WHO Situation Report (p. 2-3). The webinar was hosted by the WHO’s Information Network for Epidemics.
- Updated its Q & A page to include information on dexamethasone and COVID-19.
- Published updated criteria for releasing COVID-19 patients from isolation reflecting recent findings that patients whose symptoms have resolved may still test positive for the COVID-19 virus for many weeks. Despite this positive test result, these patients are not likely to be infectious and therefore are unlikely to be able to transmit the virus to another person.
- Announced that the hydroxychloroquine arm of the Solidarity Trial, which seeks to find an effective COVID19 treatment, is being stopped. Data shows that hydroxychloroquine does not result in the reduction of mortality of hospitalized COVID-19 patients, when compared with standard of care.
- Published a new brief, addressing violence against children, women and older people during the COVID-19 pandemic, outlining key actions that the health sector can undertake to prevent or mitigate interpersonal violence.

Midland, ON
L4R 1R2

Members of Council.

Re: Direct Payment of Federal Funds to Municipalities to Waive Property Taxes for the Year 2020 - Financial help to alleviate the suffering from COVID-19 Pandemic

Enclosed please find a copy of Council’s resolution supporting the position adopted by the Corporation of the Town of Midland on the above matter.

Sincerely yours,

[Signature]

Tracy Gagnon
Interim Deputy Clerk / Deputy Treasurer
WHEREAS the Council of the Township of Montague supports the Corporation of the Town of Midland in their request for a Direct Payment of Federal Funds to Municipalities to Waive property taxes for the year 2020 - Financial help to alleviate the suffering from COVID-19. The Town of Midland drew up a proposal asking the federal government to provide grant funding for municipalities to forgive tax payments due to the ongoing international crisis.

AND WHEREAS, the Council of the Township of Montague and the Corporation of the Town of Midland are requesting support from all Ontario municipalities.

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the Township of Fauquier-Strickland hereby supports the Council of the Township of Montague and the Corporation of the Town of Midland in their request;

NOW THEREFORE IT FURTHER BE RESOLVED THAT a copy of this resolution be forwarded to the Right Hon. Justin Trudeau, Prime Minister of Canada, the Hon. Doug Ford, Premier of Ontario, Guy Bourgouin, MPP, Carol Hughes, MP, all Ontario Municipalities and AMO.

What are your priorities for the evolution of the lands west of County Road 93?

At this Online Workshop, you will get to:

• Learn about the project and the background work currently underway
• Provide feedback to develop a vision and guiding principles for the Secondary Plan moving forward

Four Online Workshop Sessions are planned on July 9th, 2020. Please register for the session that best suits your schedule:

1:00-2:00 pm | 2:30-3:30 pm | 4:00-5:00 pm | 6:30-7:30 pm

Register at:
Midland_countyrd93_secondaryplan_workshop1.eventbrite.com

The Town of Midland is developing a Secondary Plan for 5 parcels of land along County Road 93.

The goal of this Secondary Plan Study is to expand the Town’s urban area in a planned and comprehensive manner. This expansion will be based on protecting the natural heritage and determining the study area’s development potential.

The Secondary Plan will outline a vision, goals, principles and detailed policies to guide future development.

If you have any questions or concerns with attending this Online Workshop, please contact:

Angela Zhao, Planner
705-526-4275 x.2214

### SUSTAINABILITY:

This report has no impact on the Sustainability Plan.

### CONCLUSIONS:

A total of 62 building permits were issued in the month of May 2020 totaling a construction value of $3,744,422.00, compared to 51 building permits with a construction value of $6,071,400.00 in May 2019.

### FINANCIAL IMPACT:

There is no financial impact.

**TOTAL CLOSED PERMITS: 4**
Memorandum

To: Mayor, Deputy Mayor and Members of Council
From: David Denault, Chief Administrative Officer
Date: June 26, 2020
Subject: COVID-19 – Continuing to Deliver and Planning for the Recovery

This is to update Council on the Town’s process and framework for the COVID-19 recovery with respect to the re-integration of staff working remotely.

As our Town, the County and Province move towards the recovery stages of COVID-19, the safety of our community and staff remains our priority. We are using the best guidance from our health professionals, provincial authorities, and our own employees to ensure we are cautious, careful, and considerate. Of course, if there is a negative turn in the recovery any decisions we make or are considering will need to be re-evaluated.

As a senior leadership team our current expectations are that we will slowly re-integrate those working remotely back into their workspaces and considering flexible work options as well that are mutually beneficial. We have established the following framework timelines for our Town team which will be refined as we develop the plan:

1. **Mid-July** – employees working remotely have the *option* to work in the office on their specified days, services to the public will be available on an appointment basis.

2. **Mid-August** – more employees will *transition* to working in the office on their specified days and in approved circumstances using virtual offices remotely, services to the public will be available on an appointment basis.

3. **Early to Mid-September** – employees remain working in the office on their specified days with approved virtual office options. Services open to the public by appointment and limited in person.

We have also established an internal COVID-19 Recovery Committee working group that will work with key contacts in each area of the organization to ensure a smooth transition.

As we have indicated the primary goal of our recovery framework is to ensure the health, safety and wellness of our employees and community.

If there are any questions, please feel free to contact me.

COVID-19 Resources
AMO’s COVID-19 Resources page is being updated continually so you can find critical information in one place. Please send any of your municipally related pandemic questions to covid19@amo.on.ca.

AMO Matters
Please be advised that in accordance with AMO’s governing by-law, the Secretary-Treasurer is requesting nominations to the 2020 - 2022 AMO Board of Directors. A completed nomination form and supporting material must be received no later than 12:00 noon, Monday, June 22, 2020.

Municipal Councils that operate Blue Box programs have until June 30, 2020 to pass a resolution on transition. For more information contact Dave Gordon, or check our website.

Eye on Events
Delegation meetings remain a key feature of the AMO conference. That’s not changing, it’s just going virtual. Deadline to request delegation meetings at the AMO AGM and Annual Conference is June 30. Submit your requests using the online form in English or French.

AMO is leading the way for municipal virtual conferences, providing you the
opportunity to participate from almost anywhere. New program and conference information is now available. Register here.

AMO’s 2020 Conference virtual exhibit hall offers an unparalleled opportunity for you to showcase your products and connect with delegates. Providing greater flexibility, extended trade show hours and multiple points of interaction and ways to highlight your products, AMO’s conference is the place to network and connect.

The need to pivot and respond quickly is a part of our new reality. To help you communicate the right message during COVID-19, we are offering AMO’s Social Media webinar series for a nominal fee through AMO’s Municipal Education Portal. Register now.

LAS
The Ministry of Energy has extended the 507/18 energy reporting deadline to October 1, 2020 due to COVID. They will run webinars on the reporting on June 16, 30; July 14, 28; September 8 or 22. Check out the Ministry’s reporting portal for more information. Email BPSsupport@ontario.ca if you have questions.

Improve productivity and enhance customer experience in your municipal buildings by converting your old lights to LED. Participate in the LAS Facility Lighting Service. IESO incentives are available for a limited time. Contact Christian Tham to get started!

Want to keep your mind sharp in an era of social distancing? LAS and Stephen Dixon (TdS Dixon) offer online customized Energy Training workshops including a virtual energy hunt! IESO incentives up to 75% are available. Book your workshop by contacting Christian Tham.

Municipal Wire*
Generation Squeeze and FCM are working together to understand municipal government needs when considering short term rentals and are conducting a survey of local governments. Municipal governments interested in taking part in the survey can access it here.

Since modernizing its meeting management process, Cramahe Township has unlocked cost savings using eSCRIBE Lite. Join Joanne Hyde, Township Clerk, and eSCRIBE, AMO’s digital meeting management partner, as they discuss how smaller municipalities can achieve efficiencies even during a pandemic. Sign up for the June 18 or 24 webinar.

Careers
Directors in Operations (5) - Ministry of Transportation (MTO). Director of Operations: 4 Permanent (Locations: London, North Bay, Thunder Bay, Toronto). Director, Transportation User Services Branch: 1 Permanent (Location: This position currently resides in St. Catherines; however, the location is flexible.) Please apply online, only,
by Wednesday, June 17, 2020, by visiting Ontario Public Service Careers. Please follow the instructions to submit your application.

Tourism & Community Development Officer - Town of Goderich. Application Deadline: Thursday, June 18, 2020. Reports to: Chief Administrative Officer. Please mail or drop off a cover letter and resume in confidence to the following address or email one PDF document to goderichinfo@goderich.ca: Town of Goderich – Human Resources, 57 West Street, GODERICH, Ontario N7A 2K5. Phone: 519.524.8344. For more information please visit Career Opportunities on the Town of Goderich’s website.

Emergency Manager/Community Emergency Management Coordinator (CEMC) - County of Wellington. Applicants are invited to submit a cover letter and resume, clearly marked Posting #057-20 by Friday, June 26 at 4:00 pm. ATTENTION: HR DEPARTMENT, County of Wellington Administration Centre, 74 Woolwich Street, Guelph ON N1H 3T9. E: careers@wellington.ca or F: 519.837.8882. Please respond by one method of application only. No phone calls please.

Chief Administrative Officer - Town of Cobourg. A growing and thriving community, Cobourg is known as the "gem of Lake Ontario" for its prime location on the lakeshore between Toronto and Kingston. To explore this opportunity further, please submit your cover letter, resume and related information online to Kartik Kumar, Legacy Executive Search Partners cobourgcao@lesp.ca by July 9th, 2020.

About AMO
AMO is a non-profit organization representing almost all of Ontario’s 444 municipal governments. AMO supports strong and effective municipal government in Ontario and promotes the value of municipal government as a vital and essential component of Ontario's and Canada's political system. Follow @AMOPolicy on Twitter!

AMO COVID-19 Update – Readiness Toolkit, Resumption of Land Use Planning Timelines, and Masks (Clarification)

Workplace Readiness Toolkit

The Province today released a workplace readiness guide to help employers re-open safely as more people are getting prepared to return to their workplaces as Stage 2 re-openings begin.

This new guide is designed to help employers create a workplace safety plan with a downloadable template. It includes information on the use of face coverings, personal protective equipment, as well as applying appropriate controls in the workplace.

Resumption of Land Use Planning Timelines

As of June 22, the timelines under the Planning Act will resume as usual. The Revised Regulation, (O. Reg. 278/20), in effect undoes the suspension of timelines put in place by O. Reg. 149/20. It appears that most municipal governments choose to continue with planning activities during the emergency. According to the Ministry of Municipal Affairs and Housing (MMAH), those who needed to rely on the suspension of timelines have now been able to resume processing development applications.

Masks - Clarification

After some additional discussion and information provided since yesterday’s update, we need to correct our statement on whether municipal governments can order the public’s mandatory use of masks.

What we should have said was that at the local level there is greater certainty, or at least less potential for challenges, if it was the local Medical Officer of Health using
their Section 22 powers under the Health Protection and Promotion Act (HPPA) to mandate the use of masks than the creation of a municipal bylaw under the broad municipal powers in the Municipal Act or under a local emergency plan under the Emergency Management and Civil Protection Act (EMCPA).

If desired, municipal governments can consider the development of a bylaw to mandate mask use under the Municipal Act or the EMCPA. The legislation doesn’t say you can’t do this, but it doesn’t say you can. As always, it is prudent to seek legal advice in the development of such a bylaw.

AMO’s COVID-19 Resources page is being updated continually so you can find critical information in one place. Please send any of your municipally related pandemic questions to covid19@amo.on.ca.

COVID-19 Resources
AMO’s COVID-19 Resources page is being updated continually so you can find critical information in one place. Please send any of your municipally related pandemic questions to covid19@amo.on.ca.

AMO Matters
Municipal Councils that operate Blue Box programs have until June 30, 2020 to pass a resolution on transition. For more information contact Dave Gordon, or check our website.

Provincial Matters
The Ministry of Natural Resources and Forestry (MNRF) has released a series of information sheets on managing coyotes, wolves and wildlife. Of particular interest is the sheet for municipal governments.

Federal Matters
DFO released two new interim Codes of Practice - culvert maintenance and temporary stream crossings. The Fish Habitat Protection Program will begin public engagement activities in the fall of 2020. Municipalities with questions navigating the Act should contact DFO.
Eye on Events
Delegation meetings remain a key feature of the AMO conference. The deadline to request delegation meetings at the AMO AGM and Annual Conference is June 30. Submit your requests using the online form in English or French.

The Ministers’ Forum is a highlight for many delegates at the AMO Conference. This year, there will be three smaller Ministers’ Forums presented live, one on each of the three days of the Conference. The smaller format will allow more time with Ministers and more questions from you. New program and conference information is now available. Register here.

AMO’s 2020 Conference virtual exhibit hall offers an unparalleled opportunity for you to showcase your products and connect with municipal leaders and decision makers. Providing greater flexibility, extended trade show hours, multiple points of interaction, and ways to highlight your products, AMO’s conference is the place to network and connect. Space is still available. Book now!

LAS
When is the best time to review your employee group benefits? Our April blog will explain that group benefits can be reviewed at anytime of the year.

LAS is online! Check out the LAS blog to find out how to connect with us on LinkedIn, YouTube, and Twitter.

The Ministry of Energy has extended the 507/18 energy reporting deadline to October 1, 2020 due to COVID. They will run webinars on the reporting on June 30; July 14, 28; September 8 or 22. Check out the Ministry’s reporting portal for more information. Email BPSsupport@ontario.ca if you have questions.

Municipal Wire*
The Town of Kirkland Lake resolution resolves to send a request to Crown-Indigenous Relations Minister, Carolyn Bennett, to release the steps her office is taking to ensure the National Action Plan on Missing & Murdered Indigenous Women will be completed in a timely fashion.
