Meeting Date: JANUARY 9th 2019

Re: Agenda Item No. 7(iii)(a) PL-2019-1 Cannabis Legalization and Cannabis Retail Stores in Midland

I, William (Bill) Gordon, declare a potential (~~deemed/direct/indirect~~) pecuniary interest on an agenda item respecting discussions surrounding Cannabis retail opt in / opt out decisions for the following reason:

I am a shareholder and director in a publicly traded pharmaceutical enterprise engaged primarily in the extraction of Cannabis concentrates for supply to both the medicinal and recreational channels.

Notwithstanding that my company neither engages in direct sales nor retail and the fact that I have no direct or indirect pecuniary interest in Cannabis retail in our community, I am choosing to forego my participation in these discussions at this time.
