

THE CORPORATION OF THE TOWN OF MIDLAND

Use of Corporate Resources During Municipal Election Campaign Period

PURPOSE

The purpose of this policy is to comply with the *Municipal Elections Act, 1996 (MEA)*, to establish rules and procedures with respect to the use of municipal resources during the election campaign period. The *MEA* prohibits a municipality from making a contribution to a candidate and, as a contribution may take the form of money, goods or services, this policy provides guidance on the appropriate use of corporate resources during an election.

In order to preserve the public trust and comply with the provisions of the *MEA*, it is essential that members of Council, all election candidates and all Town employees maintain the highest standard of ethical conduct throughout the election campaign period, generally recognized as commencing with the candidates' registration date through to election day in an election year.
