## Executive Director Position Summary:

Midland Bay Landing Development Corporation (MBLDC) is seeking an experienced Executive Director to implement the vision and mission of Midland Bay Landing. The successful candidate will be responsible for the implementation of the strategic direction of MBLDC, managing the day-to-day operation of MBLDC, and reporting to the Board of Directors. As Executive Director, you will be the face of MBLDC, fostering relationships and interacting with the development industry, community groups, professional consultants, regulatory agencies, the Board, elected officials, municipal staff, and the media. We are in search of a dynamic leader with demonstrated experience in the development industry who has successfully brought developments through all stages to completion.

## Position Requirements:

The position demands someone with demonstrated experience in land development and regulatory approvals and the financial implications, an analytical "out of the box", solution-oriented thinker, a self-starter requiring minimal supervision; strong facilitator, consensus builder; with exceptional communication, administration, and computer skills. Ideally your experience is supported by a degree or diploma in a related discipline providing you with analytical and interpretive skills in dealing with complex regulatory and technical information. You will also have a working knowledge of corporate governance principles and be an effective relationship builder. Flexible work schedule to attend evening and/or weekend meetings or events as required.
