

Midland Penetanguishene Transit

Midland North Route Detour

September 16, 2019 to December 2019

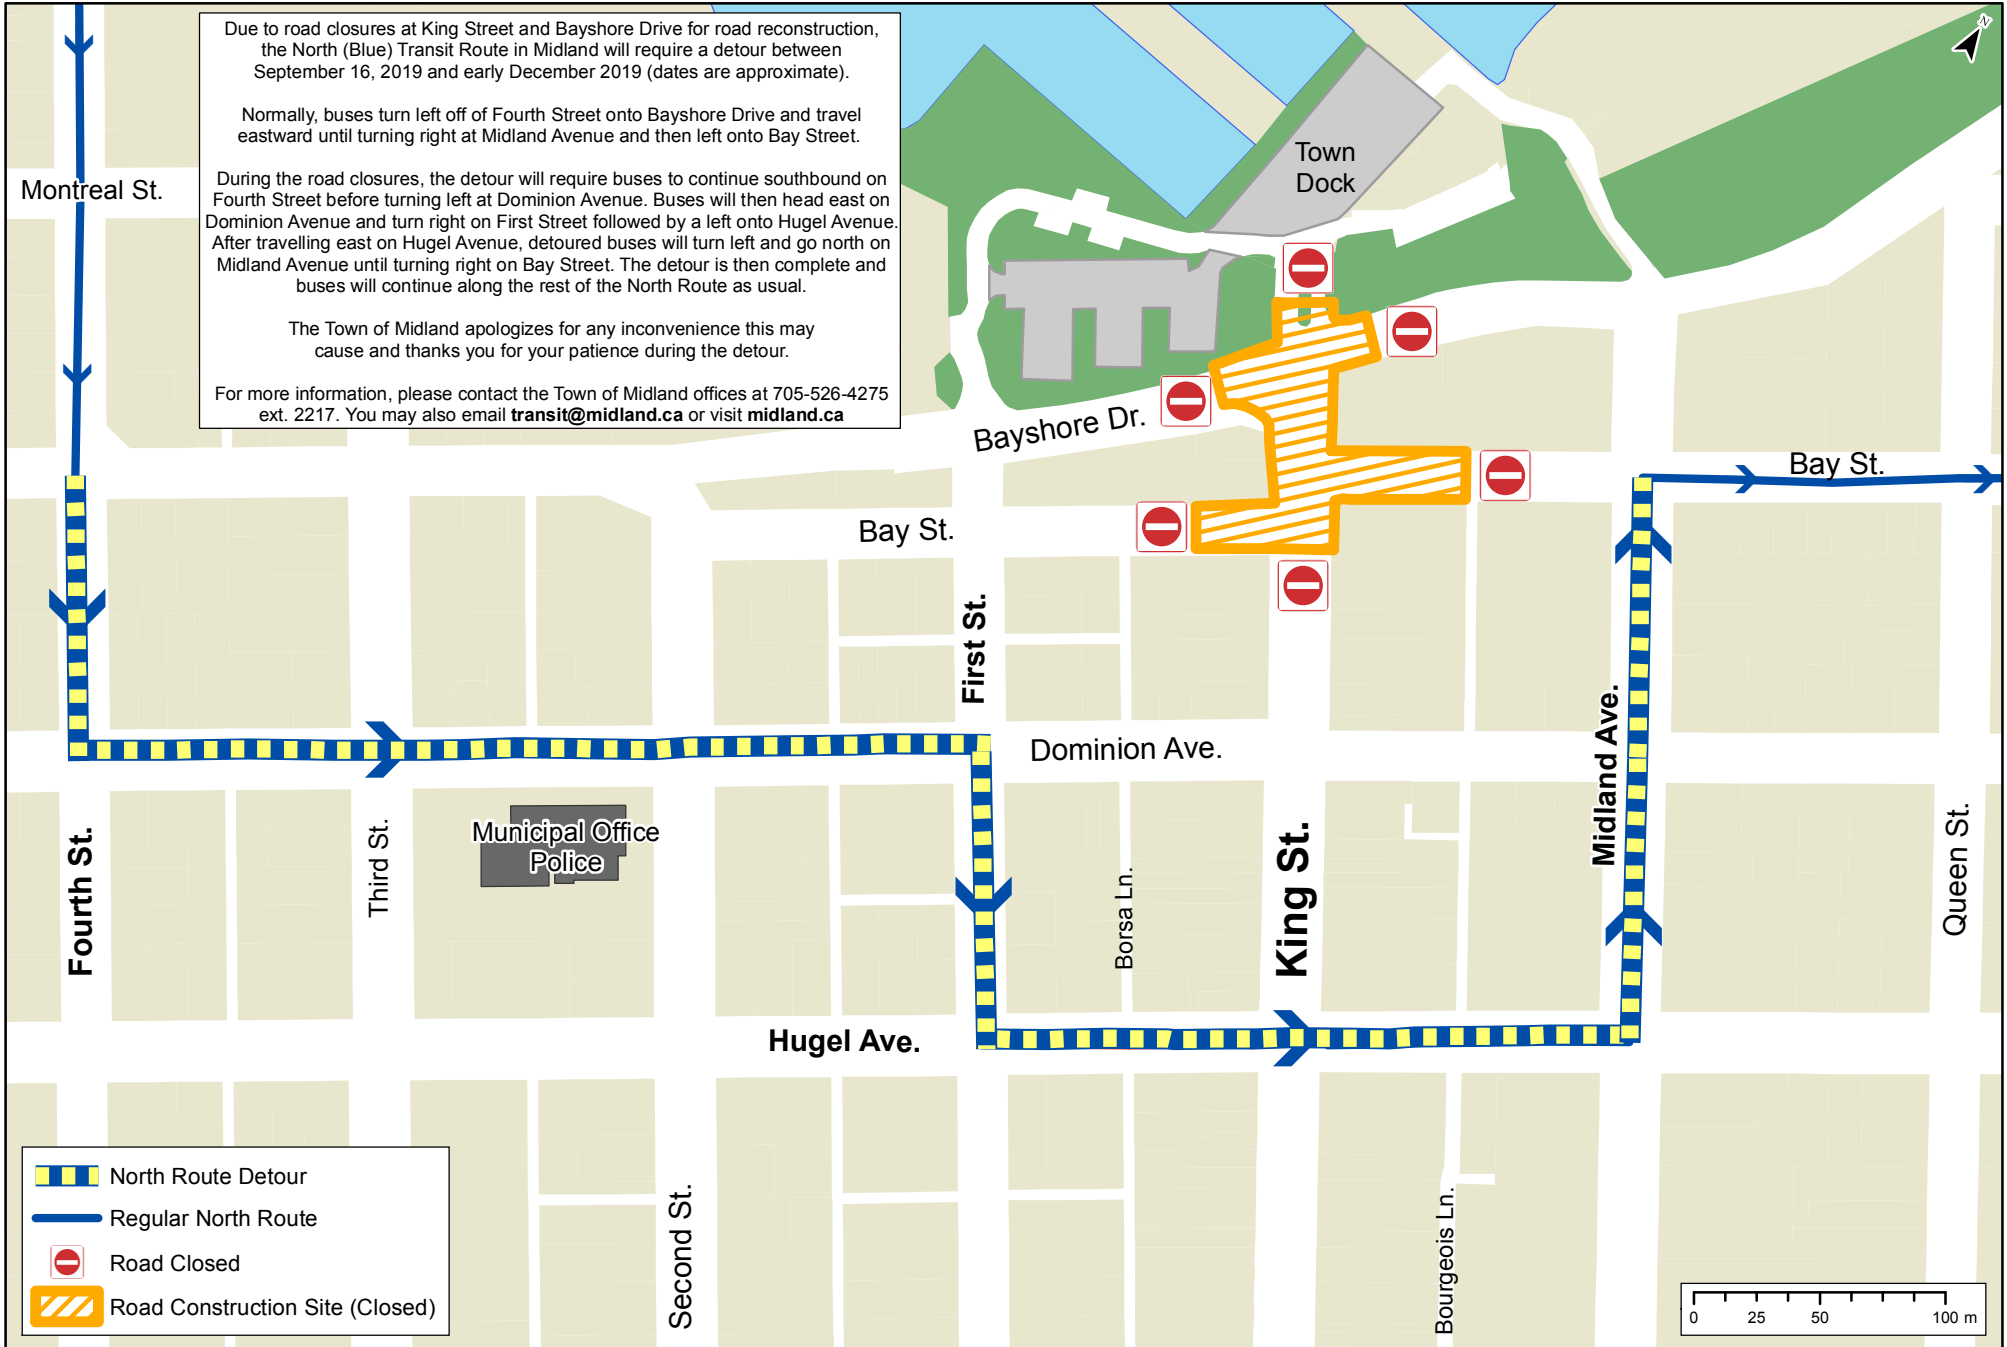

Due to road closures at King Street and Bayshore Drive for road reconstruction, the North (Blue) Transit Route in Midland will require a detour between September 16, 2019 and early December 2019 (dates are approximate).

Normally, buses turn left off of Fourth Street onto Bayshore Drive and travel eastward until turning right at Midland Avenue and then left onto Bay Street.

During the road closures, the detour will require buses to continue southbound on Fourth Street before turning left at Dominion Avenue. Buses will then head east on Dominion Avenue and turn right on First Street followed by a left onto Hugel Avenue. After travelling east on Hugel Avenue, detoured buses will turn left and go north on Midland Avenue until turning right on Bay Street. The detour is then complete and buses will continue along the rest of the North Route as usual.

The Town of Midland apologizes for any inconvenience this may cause and thanks you for your patience during the detour.

For more information, please contact the Town of Midland offices at 705-526-4275 ext. 2217. You may also email transit@midland.ca or visit midland.ca
