Midland

Persequi Qualitatem Vitae

The Town of Midland, a dynamic community situated on Southern Georgian Bay, is based in the heart of one of our nation's most beautiful recreational areas.

Our motto is "Persequi Qualitatem Vitae," meaning Pursuit of Quality of Life. As such, our goal is to provide a sound economic base, while maintaining a superb quality of life. We offer a dynamic recreational waterfront, affordable and estate housing, and all the essential amenities. We are very environmentally conscious whenever assessing our current and future development proposals.

For those wishing to experience the culture, history, and nature at its best, we offer the Huronia Museum, Sainte Marie Among the Hurons, the Martyr's Shrine and the Wye Marsh Wildlife Centre. Midland's hospitality is reflected in its many historic sites, museums, recreational areas and its friendly people. Please visit our website as it will allow you to gain a sense of our community and entice you to visit us year round. If you already live in Midland, we hope that you share our pride in this progressive community.

ECONOMIC DEVELOPMENT

Did you know...

Our Southern Georgian Bay area is a community offering a perfect business setting. Adding to its attraction is a growing local population base, a modern and expanding manufacturing sector and the realization that it's a community poised to grow and ready to meet the challenge with full services, competitive - and stable - taxation rates, abundant housing and a co-operative atmosphere. Strong transportation links - three routes to nearby Highway 400 - a deep water port, and modern airport, all connect the area to national and international markets.
