

**You're invited:**

## Online Workshop #1: Vision and Principles

### Study Area

### Public Online Workshop #1: Vision and Principles July 9th, 2020

Please join us to share your thoughts about this next phase in Midland's growth and development!

### *What are your priorities for the evolution of the lands west of County Road 93?*

At this Online Workshop, you will get to:

- Learn about the project and the background work currently underway
- Provide feedback to develop a vision and guiding principles for the Secondary Plan moving forward

Four Online Workshop Sessions are planned on July 9th, 2020. Please register for the session that best suits your schedule:

1:00-2:00 pm | 2:30-3:30 pm | 4:00-5:00 pm | 6:30-7:30 pm

### Register at:

[Midland\\_countyrd93\\_secondaryplan\\_workshop1.eventbrite.com](https://www.eventbrite.com/e/midland-countyrd93-secondaryplan-workshop1)

### The Town of Midland is developing a Secondary Plan for 5 parcels of land along County Road 93.

The goal of this Secondary Plan Study is to expand the Town's urban area in a planned and comprehensive manner. This expansion will be based on protecting the natural heritage and determining the study area's development potential.

The Secondary Plan will outline a vision, goals, principles and detailed policies to guide future development.

If you have any questions or concerns with attending this Online Workshop, please contact:
