**4. Site Plan Application SPA-05-16  
701 Balm Beach Road East – Campground**

The Committee reviewed a report dated July 15, 2016, from Planning and Building Services, regarding an application to permit the development of a campground on a portion of the 19.2 hectare property located at 701 Balm Beach Road. The campground would be situated behind an existing building located on the property known as “The Castle”. The campground would consist of 10 tent sites and 10 parking spaces.

J. Lewis, Planner, highlighted key aspects of the proposed development and responded to questions raised by individual committee members.

The Committee provided the following recommendations for improved accessibility to those with disabilities:

- Ensure roadway material is solid enough to accommodate mobility devices such as wheelchairs.
- Ensure an accessible pathway from the campsite to the main building.
- Ensure at least one accessible parking space is located in the camping area to accommodate anyone with a disability (1.5 metres)

The Planner advised that the recommendations would be presented to the Developer for consideration.

**5. Next Meeting**
