

NOTICE SIGNS

On March 25, 2013 the Town of Midland Adopted a Notice Signs – Procedures and Protocols policy which applies to Zoning By-law Amendment Applications. Please see attached information regarding the posting of Notice Signs.

Council members and/or Town staff may conduct site inspections of your lands. By submitting this application, you are authorizing the Town to access your lands for the purposes of conducting the required site inspection. Please be advised that where access is by water or by summer maintained municipal road or by private road, the consideration of the application may be delayed during the winter until such time as safe access can be obtained to the lands.

You may be required to submit a copy of the deed for the subject land. If access is provided by private road/right-of-way from a municipal road, attach a copy of the deed indicating if the access is registered on title.

Your application will not be processed until it is complete. A complete application will be determined in accordance with the requirements of the *Planning Act*, the Provincial Policy Statement, and the Town of Midland Official Plan. Please be advised that technical and supporting studies submitted as part of a complete application may be required to be peer reviewed. If a Peer Review is required, the cost will be at the expense of the applicant in accordance with policies of the Midland Official Plan. The Planning and Building Services Department will obtain prior authorization to proceed with the peer review from the applicant.

To expedite the processing of your application please ensure it is complete upon submission. Incomplete applications will be returned for re-submission. We will not hold incomplete applications in our office.

If you require additional assistance regarding this application, please contact the Planning and Building Services at:
