

PUBLIC INFORMATION SESSION

Monday, March 19, 2018

6:30 pm to 8:00 pm

at the North Simcoe Sports and Recreation Centre
Community Hall "A"

KING STREET REJUVENATION PROJECT UPDATE 3 90% DESIGN

The King Street Rejuvenation Design Project is now at the 90% level of completion, which includes the majority of the underground assets, architectural features, street furnishings and landscaping.

This Public Information Session is being held to present the above-ground design and architectural elements as well as presenting an updated schedule and budget.

Andy Campbell
Director of Engineering/Water and Wastewater Services
