

Update – March 30, 2020

1) ~~Social~~ Physical Distancing – How we can flatten the curve

- Work – Managers will connect with their team to advise of steps to increase physical distancing. These included but are not limited to: working from home, only 1 person per vehicle, working from another location to limit the numbers in any one location.
- Groceries or Pharmaceutical Supplies - if you are in need of groceries, pharmaceutical supplies or other services, 211 Ontario can help you find grocery stores and pharmacies that are open and offering delivery service. Please phone 211 or go visit <https://211ontario.ca>

2) “If you Touch it - Clean it...When you Spray it - Wipe it!”

- Let’s all do our part to ensure things are left clean for the person that follows us. Don’t forget to wipe common area items such as doorknobs, sinks and counters after you spray otherwise a residue is left once it dries.

3) Checking Messages

- When working from home, please remember to check your work voicemail messages at least twice daily.

4) Sign-in Board for Town Hall

- A staff sign-in board will be added to the Municipal Office Third Street entrance – let’s keep each other informed when we’re in the building.

5) Province prohibits gatherings of more than 5 people - March 28, 2020

- The Province has announced that gatherings of more than five people are prohibited in Ontario. This includes organized public events such as parades, events including weddings, social gatherings and communal services within places of worship.
- This order would not apply to private households with five people or more. It would also not apply to operating childcare centres supporting frontline health care workers and first responders provided the number of persons at each centre does not exceed 50 people. Funerals would be permitted to proceed with up to 10 people at one time.
