2) **Phase 2 of King Street Rejuvenation Project begins this week**

- With the early arrival of spring weather, The Town of Midland is pleased to announce that Phase 2 of the King Street Rejuvenation Project will begin on Monday, March 30, 2020. Continuing where Phase 1 left off in 2019, Phase 2 will see continued work along King Street to replace underground infrastructure, sidewalks, trees and lighting.

3) **County reopens select transfer stations, incl. the North Simcoe Transfer Station**

- The County's reopening of landfills is for urgent and critical drops offs only and in a true effort to help local businesses that are still operating. They ask that any non-essential residential and spring-cleaning items be stored as best possible until public health recommendations about staying home change and operations return to normal.

4) **Working from Home**

- Thank you to everyone who is working at home. We understand working from home is a change to routines and encourage everyone to develop a daily plan with goals and objectives to check off your list each day.

5) **Proactive Measures Continue**

- **Operations** – The Old Parks building over the weekend was deep cleaned to prepare the workplace for a health and safety inspection this week before relocating some Operations employees to promote physical distancing
- **Water / Wastewater** – Two (2) Construction trailers have put at locations to promote physical distancing, and a new shower is being installed.

Remember to pre-screen daily when entering any Town building.

Any changes within a department will now be provided to Randy to be included in an update and copied to HR@midland.ca for tracking.
