SHIP AMBASSADORS

Please consider being a Ship Ambassador for \$1,000. Some of the ships we have visiting are focused on youth leadership training with some members as young as 14 years old. Your Ambassador sponsorship will allow us to provide the crew with taxi fare to local laundry facilities or grocery stores/shopping, evening entertainment such as bowling or a movie night, and a few other niceties that youth, some away from home for the first time, will enjoy. As a thank you for your support, you will receive the same benefits as the \$1,000 sponsorship.

*If you have a sponsorship idea in mind, but don't see it listed above, please let us know.
We are happy to work with you to make your sponsorship dollars go further.*
