

## Town of Midland

### Notice to Water Customers

October 27, 2022

The Town of Midland is advising customers about an issue with the printing of recent water bills.

Water bills were recently mailed out and it was discovered that some information is missing on the bills. Actual and Estimated Meter Reading information is missing, as well as the notice of pre-authorized payment (PAP). PAP customers are advised to not make any additional payments as normal payments will occur during the cycle.

This is a system-wide issue and should be corrected on the next billing cycle.

We apologize for any concerns or inconvenience this may cause.
