MIDLAND WATERWORKS MASTER PLAN UPDATE MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT

We want to hear from you! The Town of Midland has initiated an update to the existing Waterworks Services Master Plan (2013) to reflect growth in the community, planned development, and operational changes. This proposed update to the existing Waterworks Master Plan will provide a comprehensive water servicing infrastructure plan for the community for the next 20 years. We value your feedback. By filling out this comment sheet your feedback and insights about the EA Study will be documented and considered.

Please Print Your Name and Contact Information Below:

Name:			
Address:			
Telephone:		Email:	

1. How would you prefer to receive information in the future?

- Regular mail I do not wish to receive further information
 E-mail

2. Did you find the information presented at PIC No. 2 helpful and informative?

- Yes No

If not, what additional information would you like to receive?

3. Do you have any comments on the study's problems and opportunities (i.e. water quality aesthetics, growth in the study area, etc.)?

4. Does the evaluation criteria presented capture what is important to you and your community?

Yes No

Are there other evaluation criteria that have been missed and should be considered?

5. Do you have any concerns with the Alternative Solutions under consideration or the Preliminary Recommended Servicing Strategy as identified?

6. General Comments: Please identify any other issues that you have observed with your current water supply. (Please print)

7. Would you like to complete a water user survey? If yes, please go to www.midland.ca/pages/waterworks_master_plan to complete the questionnaire.

THANK YOU!
