

Mid-Pen Transit Service DETOUR

Georgian Bay General Hospital (GBGH) Area

Both Routes - Thursday, October 23, 2025

Detour Details

There will be a **detour** to both the Midland and Penetanguishene Transit Routes on Thursday, October 23, 2025 as a result of construction work being done at Georgian Bay General Hospital (GBGH) with buses unable to safely access the hospital.

During the detour, both the Midland and Penetanguishene buses will head towards GBGH as usual after stopping at the Huronia Mall Transfer Point. While travelling north on Penetanguishene Road, the buses will turn into the Canadian Tire parking lot instead of St. Andrew's Drive. On Thursday, October 23, 2025 only, there will be **no service** directly to the hospital. A temporary stop will be set up in the rear Canadian Tire parking lot (south side near the sidewalk). Please use this stop to access GBGH. The buses will turn around and exit the Canadian Tire parking lot back onto Penetanguishene Drive and continue on with their regular routes. The Midland bus will head north towards Howard Street while the Penetanguishene bus will proceed south on its way back to Penetanguishene.

We apologize for any inconvenience this may cause and thank you for your patience during this detour. For more info, please contact the Town of Midland at 705-526-4275 ext. 2255. You may also email transit@midland.ca or visit midland.ca/transit
