Detour Details

There will be a **detour** on the South (Red) Transit Route in Midland from Tuesday, September 26, 2023 up to and including Monday, November 6, 2023 as a result of repaving in the Walmart/Plaza roadways and parking lot.

During the detour, the South (Red) Route will proceed straight instead of turning left towards Walmart at the end of Jones Rd. The bus will travel around back of The Brick/Dollarama and then head south before continuing its regular route. The shelter in the Walmart parking lot will **not** be used at this time. A temporary stop will be set up on the west side of the roadway near The Brick. Between Tuesday, October 24 and Saturday, October 30, there will be **no service** to the Plaza/Walmart. The Bus will turn left from Highway 12 onto Jones Rd. The nearest stop will be on Jones Rd. at the LCBO/No Frills Plaza.

We apologize for any inconvenience this may cause and thank you for your patience during this detour. For more info, please contact the Town of Midland at 705-526-4275 ext. 2255. You may also email transit@midland.ca or visit midland.ca/transit
