

# Town of Midland Midland Point Road Closure Detour Route

Construction of a road-crossing culvert on Midland Point Road is expected to take approximately 2 months, starting August 8, 2023.

There will be a two-week period during construction where the road will be fully closed and detours are required. During the two-week closure period, all properties shown in pink on this map will be impacted with access to and from them requiring detour use. Properties along Gawley Drive, Parkview Court and 884-982 Midland Point Road will NOT require a detour.

The exact date of the full road closure is still to be determined but will be communicated in advance. Visit [midland.ca/mpr](http://midland.ca/mpr) for more info and subscribe to the page to never miss an update!

We apologize for any inconvenience this may cause. Please contact Quinton Kenney at [qkenney@midland.ca](mailto:qkenney@midland.ca) or 705-526-4275 ext 2407 with any questions or concerns.
