THE CORPORATION OF THE TOWN OF MIDLAND

BY-LAW 2021-25

A By-law to amend By-law 2005-51 being a By-law to regulate the issuance of permits for the construction, demolition, alteration of buildings, plumbing and sewage systems and to repeal By-laws 2018-49 and 2009-101.

WHEREAS the Municipal Council of The Corporation of the Town of Midland passed By-law 2005-51 on the Twenty-seventh day of June, 2005 to regulate the issuance of permits for the construction, demolition, alteration of buildings and plumbing and sewage systems and all other related services within the boundaries of the Town of Midland;

AND WHEREAS Council deems it necessary to amend "Schedule B" of By-law 2005-51 to provide for revised permit fees;

AND WHEREAS notice was given of the proposed revised permit fees in the local newspaper, social media and on the Town's website and a Public Meeting was held in accordance with the *Building Code Act*, 1992, S.O. 1992, c.23 and By-law 2009-20 being the Notice By-law.

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE TOWN OF MIDLAND HEREBY ENACTS AS FOLLOWS:

- 1. That Schedule "B" to By-law 2005-51 be hereby removed and further that Schedule "A" attached hereto be inserted as the new Schedule "B":
- 2. That the fees as set out in "Schedule A" of this By-law shall come into force and effect on the 1st day of July, 2021.
- 3. That By-laws 2018-49 and 2009-101 are hereby repealed.
- 4. That this By-law shall come into force and effect upon final passage thereof.

BY-LAW PASSED AND ENACTED THIS 19TH DAY OF MAY, 2021.

THE CORPORATION OF THE TOWN OF MIDLAND
STEWART STRATHEARN - MAYOR
KAREN DESROCHES - CLERK

SCHEDULE "A" BY-LAW 2021-25

SCHEDULE "B" BY-LAW 2005-51

PERMIT FEES AND ADMINISTRATIVE CHARGES

INDEX

PART 1 - Terms and Definitions

PART 2 - Fee Calculation Guide

PART 3 - Fee Tables

PART 4 - Refund of Permit Fees

PART 1 - TERMS AND DEFINITIONS

1.1 Non-defined terms.

(1) Definitions of words and phrases used in this Schedule that are not included in the list of definitions in this Part shall have the meanings which are commonly assigned to them in the context in which they are used in this Schedule taking into account the specialized use of terms with the various trades and professions to which the terminology applies.

1.2 Defined Terms.

(1) The following words and terms in this Schedule have the following meaning for the purposes of this Schedule.

Archived Permit	means when an active permit is considered archived where no inspection has been requested (by the permit holder) within one year of the date upon which the last Building Inspection had been performed by the Building Department.
High Density Residential	means apartment buildings (3 units or more), and non- dwelling "C" type occupancies such as hotels, motels, dormitories, lodging, rooming house, etc.
Low Density Residential	means singles, semis, town, row house units, and duplex dwellings
Project Value	means the total estimate value of construction cost, which includes the cost of construction, professional designer

compensation, and other similar charges.

PART 2 - FEE CALCULATION GUIDE

2.1 Minimum Permit Fee Calculation and Application Deposit

- (1) Except where a *flat fee* applies, the minimum fee and/or deposit for any permit application for work proposed with a Low Density Group C residential occupancy shall be;
 - a) \$1,500.00 New Building, except for accessory buildings
 - b) \$300.00 Additions and alterations over 20m², except for decks
 - c) \$96.00 All other projects not listed above
- (2) Except where a *flat fee* applies, the minimum fee and/or deposit for any permit application for work proposed with a use of other than a Low Density Group C residential occupancy shall be;
 - a) \$2,500.00 New Building
 - b) \$500.00 Additions and alterations over 20m²
 - c) \$192.00 All other projects not listed above
- (3) Where a flat fee applies, the fee shall be paid at the time of application.

2.2 Total Permit Fee Calculations

- (1) Except as permitted in sentence (2), the summation of all applicable fees found in Tables 1A to 3F shall result in the total Permit Fee.
- (2) Permit fees may be calculated in accordance to subsection 2.4 of this schedule.
- (3) Where applicable, permit fees shall be calculated utilizing the metric rates assigned in the charts below. The Imperial rates assigned in the charts below are for convenience only.

2.3 Determination of Area Calculations for Permit Fees

- (1) The following method establishing the total floor area shall be used;
 - a) Each floor area shall be measured between the outside surfaces of exterior walls, or between the outside surfaces of exterior walls and the centre line of Firewalls or Party Walls. For structures like Mezzanines, Decks/Porches and Loading Docks, the area shall be measured between the platform edge to platform edge, or between the platform edge to an abutting wall face. The summation of these calculations shall be considered the total gross floor area.
 - b) A residential basement or a crawlspace contained in whole below grade and with no interior finishes installed, or where no Use is proposed, shall not have a permit fee applied.

- c) All walkout basements in dwellings shall have half of their total floor area calculated to the applicable permit fee.
- d) No deductions shall be made for openings within a Floor, i.e. stairwells, elevator shafts, service shafts (ducts. etc.). A horizontal plane may be projected over sloping and stepped Floors to determine Floor area in lieu of actual surface area.

2.4 Alternative Fee Calculations

- (1) Structures that are of an unusual shape, or where projects are unique in nature, and where the application fees set out in Part 3 of this Schedule are not applicable, or would be impractical, the Chief Building Official, at his discretion, may determine the value of the Building Permit Fee. The Chief Building Official may utilize some, all, or a combination thereof, of the following criteria to determine the Building Permit Fee:
 - a) Fees listed in Table 3A to 3E of this Schedule may be used to calculate a permit fee based upon an estimation of staff time that may be spent on the file.
 - b) Apply a fee, or combination of fees listed in Tables 1A to 3E of this schedule that in the judgment of the Chief Building Official, most closely reflects the proposed project.
 - c) Apply Permit Fee to equal 1.5 % of Project Value as a minimum.
- (2) The Chief Building Official shall report instances where the fee has been reduced to the relevant Council Committee as part of the monthly Building Activity Report.

PART 4 - REFUND OF PERMIT FEES

4.1 General Provisions

- (1) Refunds of fees collected under the authority of Tables 1A to 1F, and 2A to 2E, shall be provided in accordance with other provisions of this Part, where the:
 - Building Permits have been issued, but no construction has commenced.
 - o Building Permits have not been revoked or archived,
 - Building Permit Applications have not expired,
- (2) Fees collected under the authority of Tables 3A to 3E are non-refundable.
- (3) Refunds of fees collected under the authority of Table 3F, shall be provided in accordance with other provisions of this Part, where;
 - the building, or any part thereof, has not been occupied prior to the issuance of an occupancy certificate;
 - a final inspection has been performed which indicates that the project is completed and the file may be closed;

4.2 Refund Provisions for Permit Fees found in Tables 1A to 1F and 2A to 2E of this Schedule

- (1) Requests for refunds must be submitted to the Chief Building Official in writing who will determine the amount of Permit Fees, if any, that may be refunded.
- (2) Except as provided in sentence (3), the amount of fees refundable shall be calculated based on the total of all building permit fees collected under the authority of Tables 1A to 1F, and 2A to 2E of this Schedule, as follows:
 - 75 percent refundable if applicant cancels application prior to building code plans examination review is performed;
 - 50 percent refundable if Chief Building Official has released the permit for issuance:

- (3) Notwithstanding sentence (2), no refund shall be made of an amount less than \$60.00.
- 4.3 Refund Provisions for Extra Services Deposit found in Table 3F of this Schedule and Deposits posted under a Conditional Building Permit.
 - (1) Requests for refunds must be submitted to the Chief Building Official in writing who will determine the amount of deposits, if any, that may be refunded, provided the request is received no later than one year after the date of the last inspection performed. Upon expiration of the one year timeframe noted above, monies collected shall be considered forfeited.
